INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Auxiliary Organizations Association
Chico, California

We have audited the accompanying financial statements of Auxiliary Organizations Association, a nonprofit organization (the Association), which comprise the statements of financial position as of June 30, 2016 and 2015; the related statements of activities and changes in net assets, and cash flows for the years then ended; and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Association's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

INDEPENDENT AUDITORS' REPORT

(Continued)

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Association as of June 30, 2016 and 2015, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matter

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of functional expenses are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Auxiliary Organizations Association

NOTES TO THE FINANCIAL STATEMENTS

1. NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Operations Auxiliary Organizations Association (the Association) is a nonprofit corporation organized and operated to facilitate communication and sharing of information regarding auxiliary organizations operating within the California State University system. Membership is open to any auxiliary organization operating within the California State University as an entity described in the *California Education Code*, Section 89901.

Basis of Accounting The financial statements of the Association have been prepared on the accrual basis of accounting and, accordingly, reflect all significant receivables, payables, and other liabilities.

Use of Estimates The preparation of the financial statements in conformity with generally accepted accounting principles includes the use of estimates that affect the financial statements. Accordingly, actual results could differ from those estimates.

Basis of Presentation Net assets, revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Association and changes therein are classified and reported as follows:

Unrestricted Net Assets: Net assets that are not subject to donor-imposed stipulations.

Temporarily Restricted Net Assets: Net assets subject to donor-imposed stipulations that may or will be met, either by actions of the Association and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Permanently Restricted Net Assets: Net assets subject to donor-imposed stipulations that they be maintained permanently by the Association. Generally, the donors of these assets permit the Association to use all or part of the income earned on any related investments for general or specific purposes.

Cash and Cash Equivalents The Association considers highly liquid investments, such as bank deposits, money market accounts, and certificates of deposit with maturities of 90 days or less as cash equivalents. At times, the Association's cash and cash equivalents may exceed the Federal Deposit Insurance Corporation (FDIC) insurance limits.

Accounts Receivable The Association's accounts receivable consist of amounts due from business partners attending the annual conference as well as members' annual dues. The Association records allowances for doubtful accounts based on payment history and correspondence with those who have balances outstanding. The allowance for doubtful accounts was \$3,000 as of June 30, 2016 and 2015.

Auxiliary Organizations Association

NOTES TO THE FINANCIAL STATEMENTS

(Continued)

Fair Value Measurements The Association accounts for certain assets and liabilities in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, which establishes a framework for measuring fair value under generally accepted accounting principles.

Realized gains and losses on dispositions are based on the net proceeds and the adjusted book value of the securities sold using the specific identification method. Unrealized gains and losses on investment securities available for sale are based on the difference between book value and fair value of each security.

The Association classifies its fair value assets and liabilities into a hierarchy of three levels based on the markets in which they are traded and the reliability of the assumptions used to determine fair value. The asset or liability measurement level within the hierarchy is based on the lowest level of any assumption that is significant to the measurement.

Valuations within the hierarchy levels are based upon the following:

- Level 1: Quoted market prices for identical instruments traded in active exchange markets.
- Level 2: Quoted prices for similar instruments in active markets, quoted prices for identical or similar instruments in markets that are not active, and model-based valuation techniques for which all significant assumptions are observable or can be corroborated by observable market data.
- Level 3: Model-based techniques that use at least one significant assumption not observable in the market. These unobservable assumptions reflect the Foundation's estimates of assumptions that market participants would use on pricing the asset or liability. Valuation techniques include management's judgment and estimation which may be significant.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used during the year ended June 30, 2016.

Registered Investment Companies (Mutual Funds): Each investor in the mutual fund will typically receive units of participation in the mutual fund. These units are valued daily, based on the underlying securities owned by the mutual fund. The Association's mutual fund investments have underlying securities which include domestic and international equity securities as well as bonds.

Note Receivable The Association's note receivable consisted of amounts due from the Auxiliaries Multiple Employer VEBA for advance payments made by the Association on behalf of the VEBA for legal and accounting fees required for the formation of the VEBA. The VEBA repaid the advances during the June 30, 2015, fiscal year.

Auxiliary Organizations Association

NOTES TO THE FINANCIAL STATEMENTS

(Continued)

Donated Services Donated services are recognized as contributions in accordance with FASB ASC Subtopic 958-605, *Not-for-Profit-Entities – Revenue Recognition*, if the services: (a) create or enhance nonfinancial assets; or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Association. The value of donated goods and services meeting the requirements for recognition in the financial statements was \$16,800 and \$12,500 at June 30, 2016 and 2015, respectively.

Income Taxes The Association is exempt from income taxes under Section 501(c)(3) of the *Internal Revenue Code* and Section 23701(d) of the *California Revenue and Taxation Code*. However, income from certain activities not directly related to the tax-exempt purpose is subject to taxation as unrelated business income. Unrelated business income was insignificant and, accordingly, no provision for income taxes was recorded. The Association has been classified as an organization that is not a private foundation under Section 509(a)(2).

The Association files exempt organization returns in the U.S. federal and California jurisdictions. The federal returns for tax years 2013 and beyond, and the California returns for tax years 2012 and beyond, remain subject to examination by the taxing authorities.

The Association accounts for income taxes in accordance with FASB ASC 740, *Income Taxes*, which clarifies the accounting for uncertainty in income taxes recognized in the Association's financial statements and prescribes a recognition threshold and measurement attribute for the financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return. FASB ASC 740 also provides guidance on derecognition and measurement of a tax position taken or expected to be taken in a tax return. Based on this analysis, a liability is recorded if uncertain tax benefits have been received. The Association's practice is to recognize interest and penalties, if any, related to uncertain tax positions in the tax expense. There were no uncertain tax positions identified or related interest and penalties recorded as of June 30, 2016 and 2015, and the Association does not expect this to change significantly over the next 12 months.

Date of Management's Evaluation Management has evaluated subsequent events through October 31, 2016, the date on which the financial statements were available to be issued.

Auxiliary Organizations Association

NOTES TO THE FINANCIAL STATEMENTS

(Continued)

2. INVESTMENTS

The following is a schedule of the assets at fair value, by level within the fair value hierarchy:

June 30, 2016	Level 1	Level 2	Level 3	Total
Mutual Funds				
Value funds	\$ 114,463	\$ -	\$ -	\$ 114,463
Blend funds	109,155	-	-	109,155
Bond funds	46,799	-	-	46,799
Total Investments	\$ 270,417	\$ -	\$ -	\$ 270,417

June 30, 2015	Level 1	Level 2	Level 3	Total
Mutual Funds				
Value funds	\$ 109,175	\$ -	\$ -	\$ 109,175
Blend funds	106,807	-	-	106,807
Bond funds	45,650	-	-	45,650
Total Investments	\$ 261,632	\$ -	\$ -	\$ 261,632

Gross realized gains of \$4,785 and \$6,022 were recorded as of June 30, 2016 and 2015, respectively. The realized gains were due to reinvested dividends and interest, and there were no sales proceeds during June 30, 2016 and 2015. Gross unrealized losses of \$(5,862) and \$(8,257) were recorded as of June 30, 2016 and 2015, respectively.

3. NET ASSETS

Unrestricted board-designated net assets result from the Executive Committee policy, which requires reserve funds. The board-designated balance includes reserves for working capital, conferences, and general contingencies. The minimum reserve requirement for working capital is 50% of the most recently approved annual general operating expense budget, or \$50,000. The minimum reserve requirement for conferences is 50% of the prior-year-conference business-partner income, or \$75,000. The reserve requirement for general contingencies is to be maintained at a level, determined annually, necessary to mitigate any other contingencies not contemplated elsewhere with a minimum balance of \$50,000.

Board-designated net asset reserves are as follows:

June 30, 2016	
Working capital	\$ 114,223
Conferences	102,000
General contingencies	50,000
Total Board Designated Net Assets	\$ 266,223

Auxiliary Organizations Association

NOTES TO THE FINANCIAL STATEMENTS

(Continued)

4. DEFERRED INCOME

The Association's dues are billed on a calendar-year basis. Dues collected during the period July 1 to December 31 are recorded as deferred income and reclassified as income during the following fiscal year. Deferred income totaled \$99,600 and \$92,395 at June 30, 2016 and 2015, respectively.
