- III. AOA website overview Room: Lenore 4:00 - 4:30 p.m.

AOA website managers to join CSC meeting to review features of the newly redesigned website, including the group communications features. They will also assist any committee member with creating their AOA member website account.
- IV. Proposed: Immediate access programs joint open forum Room: Constellation B
4:30 – 6:00 p.m.

Initially proposed as a separate Follett access meeting, we are now planning a joint session for all interested campuses to learn more about immediate access and share information about their access programs: who is doing what, what is working, what are the hurdles, practices with publishers/ billing/ results.
Campus reps are encouraged to bring information about their access programs (how many students/ sections/approach). This will be a working session of ideas and sharing.
