SECTION 1: INTRODUCTION, MISSION AND ORGANIZATION

Introduction

The AOA Policy and Practices Manual has been completely reviewed, revised and republished by its governing board, the Executive Committee, to restate in a convenient reference format, approved policy statements and practices. The Manual also contains key documents and legal instruments that are operative in the management of the organization.

Organization Purpose

AOA was established and is organized for these purposes:

- To provide a means of communication among auxiliary organizations.
- To serve as a vehicle for considering and resolving common issues.
- To assist new auxiliary organizations.
- To assist auxiliary organizations experiencing management or other problems.
- To represent the common interest of the members in appropriate forums.
- These purposes are expressed in Article II of the Articles of Incorporation. See Appendix A.

Mission Statement

The AOA Executive Committee, in retreat, developed a Statement of Mission, Purpose and Goals in early 2000. This Statement appears as Appendix D.

Organization

The AOA is a separate, nonprofit public benefit corporation organized and chartered under the Laws of the State of California.

The Articles of Incorporation were adopted August 19, 1986, and endorsed by the Secretary of State on September 15, 1986. The Articles of Incorporation were amended by a majority of the Association membership at its Annual Business Meeting on January 13, 2004. See Appendix A.

The Bylaws of the Association are adopted by the Executive Committee, the governing body. The current Bylaws appear as Appendix B in this Manual, and they address the basic organizational structure of the Association.

The Association has been qualified as a tax-exempt corporation organized and operated exclusively for educational purposes under Sections 501(a) and 501(c)(3) of the U.S. Internal Revenue Code (IRC). The IRS has classified the Association as not being a private foundation under Section 509(a)(2) of the IRC. See Appendix C.

The Executive Committee authorizes standing committees to be organized in furtherance of the Association's mission. See Section III and Appendix J.

Appendix J is a current Association Organization Chart that diagrams the overall structure of the Association.

Appendix E contains the Standing Orders of the Executive Committee. These Orders are adopted from time to time by Minute action of the Executive Committee to implement provisions of the Bylaws.

Appendix F is a short guideline for opening and conducting a meeting by remote means.

Appendix G is a thumbnail guide to Robert's Rules of Order (11th Revision) on leading AOA meetings.

Appendix H charts the basic Robert's Rules of Order meeting motions.

Appendix I is a template outline for a Standing Committee Chair Briefing Book.

Revisions To Manual

When policies or major practices are revised, or adopted for the first time by the Executive Committee, they will be included in the next annual revision to this Manual and annually presented to the Executive Committee for re-adoption at its April meeting. The Manual is posted on the AOA Website, and distributed to the Executive Committee.

SECTION 2: POLICY AND PRACTICES STATEMENTS

AOA AFFILIATED MEMBERSHIP CRITERIA AND PROCESS POLICY

Background & Purpose

Article III, Section 2 of the Association Bylaws authorize the Executive Committee to confer nonvoting affiliated memberships.

The Executive Committee, pursuant to action taken by the Membership convened on January 17, 1990, developed proposed criteria for such affiliates and submitted that criteria to the Membership for comment.

The Bylaws Committee after reviewing Membership comment, recommended the affiliation criteria, dues structure, and prerequisites be published in the Association Newsletter. In May 1990, the Executive Committee adopted a resolution setting affiliated membership criteria, a dues structure, and prerequisites. Subsequently, the dues structure was eliminated.

The Executive Committee, as part of a comprehensive policy review, adopted the following policy statement on affiliated membership:

Affiliation Criteria

- A. Reasons for Affiliated Members. The Association has determined that certain services, activities, and publications provided by or through the Association to its members should be available to others for these reasons:
1. *to strengthen and broaden the professional development of auxiliary services management within the educational sector;*
 2. *to enhance the operational effectiveness of auxiliary services to educational institutions, and*
 3. *to augment Association resources.*
- B. Commercial Affiliates. Affiliated membership may only be conferred on a for-profit entity or individual upon a finding and determination by the Executive Committee that such affiliated membership shall serve the Association in at least two of the reasons stated in Section A above. The Executive Committee findings and determination shall be by separate resolution on each commercial affiliate application. The resolution may provide for conditions of renewal. The criteria in Section A above are guidelines and the determination of the Executive Committee shall be final.

This provision is not intended to preclude Association arrangements with commercial entities or individuals to otherwise serve Association purposes or goals, consistent with the Articles of Incorporation and Bylaws.

- C. Nonprofit or Professional Affiliates. The Executive Committee authorizes the Secretary/Treasurer to receive and accept for initial or renewal affiliated membership, the written application of non-profit entities and auxiliary management professionals, upon the determination that each application would satisfy at least two of the reasons stated in Section A above.
- D. Individual Affiliates. Employees of a member auxiliary organization or of the California State University may upon application join the Association as Individual Affiliate Members.

Restated from May 1990 Executive Committee Resolution, and updated in 2009

AOA BUSINESS TRAVEL EXPENSE POLICY

Background & Purpose

At its meeting of November 27, 1989, the Executive Committee adopted a resolution establishing the original basis for reimbursement of travel expenses related to AOA business. See Minutes, Item II-I. The business travel expense policy was amended in 1991, and again in 1999. The claim form was revised on August 17, 2007 and the CSU per diem and IRS mileage reimbursement rates were adopted. At the June 20, 2008 meeting, the Executive Committee amended the travel expense process to require business travel claims to be submitted to the claimant's organization, followed by the organization's request to AOA for reimbursement. The 2009 revision added travel reimbursement authorization for Conference Planning Committee members.

The Executive Committee, as a part of a comprehensive policy review, adopted the following business travel expense policy statement:

Basis For Reimbursement

1. **Executive Committee Meetings.** Executive Committee members (officers and representatives) shall be reimbursed for travel expenses to attend Executive Committee meetings based upon the cost of round trip air coach fare to the meeting from the member's home airport (including transportation/parking charges), or at the established private automobile mileage reimbursement rate for said trips (including lodging charges), whichever is the lesser.

Executive Committee meetings will typically include hosted refreshments and lunch, so these expenses will not be reimbursable.

2. **Standing Committee Meetings.** Standing Committees shall submit budget requests to be included in the annual budget process. Requests shall be limited to cost estimates for meeting presenters, room fees, meals/refreshments, and materials/supplies.
3. **Conference Planning Committee.** Conference Planning Committee members shall be reimbursed for travel expenses to attend the meetings of this committee on the same basis as Executive Committee meetings. See above.
4. **Exceptions.** The Secretary/Treasurer is authorized to reimburse other business travel expenses on an exception basis where appropriate.

Reimbursement Rates

Business travel under this policy shall be reimbursed at the following rates:

Lodging – at meeting(s) site rate

Per Diem – at CSU rates and calculation basis

Mileage – at IRS rate

Reimbursement Process

Expense reimbursements under this policy shall be submitted to the Secretary/Treasurer by the claimant's organization on a timely basis, based upon the claimant's reimbursement from the organization.

Approved by the Executive Committee October 12, 2001. Claim form revised at direction of Executive Committee on August 17, 2007. By direction of Executive Committee on November 16, 2007, claim forms determined to be nonexclusive, allowing claims to be processed using forms of requesting organization. June 20, 2008 Executive Committee action changed the claim process eliminating the need for prescribed reimbursement forms.

AOA ANNUAL CONFERENCE SPONSORSHIP POLICY

Background & Purpose

At its meeting of June 18, 2004, the Executive Committee delegated updating and maintenance to the Annual Conference Sponsorship Policy to the conference planning committee. The conference planning committee will report back to the Executive Committee regarding significant changes to the policy. This Policy Statement replaces the Policy dated September 13, 2002.

Policy

The Conference Planning Committee is delegated the responsibility of reviewing and recommending to the Executive Committee Conference Business Partnership levels, captions and benefits.

Approved by AOA Conference Planning Committee and reported to the Executive Committee August 20, 2004 and revised in 2009

AOA

ANNUAL CONFERENCE PRESENTER/ATTENDEE COMPLIMENTARIES POLICY

Background & Purpose

At its meeting of November 10, 2000, the Executive Committee adopted by Minute action a policy framework for administering certain typical conference attendee and presenter complimentaries and charges. The policy was revised at the August 15, 2008, June 19, 2009, November 19, 2010, June 15, 2012, and April 16, 2021 meetings.

Policy

- A. The contract or agreement for keynote and general or super session presentations typically covers what AOA provides in terms of travel, hotel room and meal expenses. A presenter's fee is also typically charged and billed as a conference expense for the AOA Annual Conference.
- B. Keynote and general or super session presenters who waive their fee for the Annual Conference will be provided complimentary travel, hotel room and meals. Should the presenter stay for the entire Conference, the registration can also be a "comp" item, at the discretion of the Conference Planning Committee Chair.
- C. Concurrent session presenters that attend the conference with the sole purpose to present at one of the scheduled concurrent sessions (and do not otherwise participate in the conference or any meals) will be able to do so without obligation to pay a conference registration fee. Presenters that commit to present at multiple concurrent sessions, will be required to register as a conference attendee and pay applicable conference registration fees.

Presenters that are identified as a current or potential AOA business partner will be required to commit to a conference business partner sponsorship.

AOA does not cover travel, hotel room and meals or any other expenses associated with presenting a concurrent session. Exceptions may be considered by the Conference Planning Committee, with the understanding that the AOA standing committee making the request will be responsible for paying for the expenses from the applicable standing committee budget.

- D. The Chancellor and Executive Vice Chancellors will be offered complimentary conference attendance as well as complimentary hotel accommodations for one night. Additional nights will be at the discretion of the Conference Planning Committee Chair. All other Chancellor Office

staff will be charged regular conference rates (Early Bird, partial or full as appropriate) unless they fall under one of the other provisions noted above.

- E. AOA Business Partners receive a minimum of one conference registration as a benefit of their sponsorship. Gold and above Business Partners receive multiple registrations based on their sponsorship level as listed in the AOA Business Partner Packet.

Business Partner conference registrations above complimentary registration(s) received with sponsorship will be charged at the current member conference rates: i.e., Early Bird rate until deadline, full conference rate, daily rate, and on-site rates.

- F. Exceptions to this policy may be considered and granted by the Conference Planning Committee Chair in consultation with the Secretary/Treasurer.

Approved by the Executive Committee on June 15, 2012

Revisions Approved By Executive Committee April 16, 2021

Approved by the Executive Committee on August 16, 2013

AOA MEMBERSHIP DIRECTORY POLICY

Background

Historically, the AOA Membership Directory has been published annually in printed form. The 2001 Membership Directory was printed and distributed in the Fall of 2000. The 2001 Membership Directory was also published in digital form on the AOA Web Site.

Policy

By vote of the Executive Committee at its June 1, 2001 meeting, the AOA Membership Directory will be maintained as part of the AOA Web Site and will no longer be issued in printed form. Member organizations are authorized to list their staffs in whole or in part in the Directory as they see fit. The Directory will be updated in real time as changes occur in member organizations. Each member organization is responsible for ensuring that its listings are up-to-date at all times.

Standing committee chairs are encouraged to include meeting agenda items that:

- Remind member-organizations to designate a staff member to keep the Directory listing current for that organization (and to report that designation to the Web Coordinator); and to
- Provide information on the procedure for updating the Directory listing.

Update Procedures

By the Fall of 2001, the capability will be available for authorized individuals at each member organization to directly update its organization's directory records by entering changes on the web. The Executive Committee's Web Site Coordinator will send periodic e-mails to remind the members to enter their updates. Programmed security will limit update access to those with established passwords and will limit their access to the records of their own organization.

***Approved by the Executive Committee October 12, 2001, updated in 2009, and revised
on June 17, 2016***

AOA LEGISLATIVE AND COMPLIANCE SUPPORT POLICY

Background

There is a need for the Association leadership and members to be apprised of legislative, regulatory and related compliance issues on a timely basis, and to have meaningful communications and consultation with the Chancellor's Office on such matters.

The Executive Committee intends to pursue an active consultative, monitoring and analysis program in this arena. This policy statement provides the framework for mutual communications between the Association and the Chancellor's Office on legislative and regulatory matters affecting auxiliary organizations, and for external support services to actively track and analyze legislation, regulations and related compliance matters.

Practices And Procedures

- A. Designated Legislative Liaison. The AOA President is designated as the AOA liaison to the Chancellor's Office to coordinate with the Chancellor's Office on significant legislative and regulatory matters affecting auxiliary organizations. The President is charged with implementing this policy statement, and shall work closely with AOA *Compliance Consultant*, appropriate standing committees, and the Council of Administrative and Business Officers (CABO).
It is expected that the President will maintain close, direct and candid relations to assure that both the Association and Chancellor's Office are fully apprised on legislative and regulatory matters that could affect auxiliary organizations within the California State University.
- B. Legislative & Compliance Support Services. The Executive Committee may obtain external services, such as the AOA *Compliance Consultant*, for monitoring, analyzing and otherwise assisting with legislative and related compliance matters affecting the members.
- C. Legislative & Compliance Matters Defined. This term is intended to include:
 - 1. Federal and State bills introduced or proposed;
 - 2. Positions contemplated on pending bills or regulatory provisions of administrative agencies;
 - 3. Any component of the Trustee's Annual Legislative Program that could affect auxiliary organizations; and
 - 4. Executive Orders and any proposed major change to Title 5.

- D. Liaison Interaction. The Chancellor's Office designated staff typically appraise the AOA leadership of significant pending legislative and compliance matters. The President will evaluate the criticality of such matters and report on a timely basis to the Executive Committee. Broader consultation and collaboration on such matters may be required. Such interaction should involve the Advocacy and Institutional Relations Office. The AOA *Compliance Consultant* will promptly advise the President and the Executive Committee of any such matters as may come to his or her attention. There should be a joint assessment of the potential impact and/or response that should be considered by the Chancellor's Office and AOA.
- E. Position Statements. The Executive Committee shall remain alert and sensitive to taking any position on legislative or regulatory matters that may be in opposition to or in conflict with those of an individual member, University president, or the CSU Trustees. It is not the role of the AOA liaison or any other officer, Executive Committee member, or Association agent or representative, to represent the position of the Association on such matters, absent Executive Committee action and delegation of authority to make such representation.

Approved by the Executive Committee on March 17, 2006

AOA RESERVE POLICY

Background and Purpose

The establishment of adequate reserves assures fiscal viability and is an integral part of the organization's long range planning. The AOA Executive Committee has established the following reserves.

Working Capital Reserve

A Working Capital Reserve (Priority 1) will be maintained to fund general operations in the event of a significant loss of operating income. The funding target will be equal to 50% of the most recently approved annual general operating expense budget, with a minimum reserve balance of \$50,000.

Conference Contingency Reserve

A Conference Contingency Reserve (Priority 2) will be maintained to provide a funding source for the annual conference in the event of a major loss of income for this purpose. The funding target will be equal to 50% of the actual business partner support recorded in the prior year, with a minimum reserve balance of \$75,000. In evaluating this reserve, consideration will also be given to any possible risks associated with non-refundable deposit commitments for future conferences.

General Contingency Reserve

An optional General Contingency Reserve (Priority 3) will be maintained at a level, as determined annually, necessary to mitigate any other contingencies not contemplated elsewhere within this policy, but with a minimum reserve balance of \$50,000.

Annual Reserves Review

A review of the reserves will be conducted with the annual budget review. This review will include:

1. Analysis of the target levels for each reserve
2. The purpose of each reserve
3. The recommended funding for each reserve based upon the established priority.

Estimated funds in excess of the reserve funding levels established for the year by the Executive Committee will be used as a source of funding for the general operating budget, or for multi-year projects beyond the scope of the annual operating budget.

Reserve Draws, Additions, and Funding Goal Changes

The AOA Treasurer is authorized to draw on the Working Capital Reserve as necessary to manage the adopted budget with subsequent written notice to the Executive Committee. Additions or changes to the Working Capital Reserve will be authorized by action of the Executive Committee.

All draw-downs, additions, and changes to the Conference Reserve and the General Contingency Reserve will be authorized by action of the Executive Committee.

Reserve Investments and Earnings

Investments tied to reserves are subject to the Investment Policy. Gains and losses generated from reserve investments are posted to the current year's general operating account.

***Approved by the Executive Committee on June 20, 2008 Revised July 23, 2013,
and November 15, 2013***

AOA INVESTMENT POLICY

I. Purpose

This Investment Policy provides the Treasurer with direction from the Executive Committee by establishing investment policies and objectives. This statement will:

- A. Outline an overall investment philosophy that is specific enough but sufficiently flexible to allow for changing economic conditions and market dynamics;
- B. Provide realistic risk and return policies which serve as standards for evaluating investment vehicle performance;
- C. Establish restrictions and outline procedures for policy and performance review.

II. Investment Policy Objectives

The primary investment objective is to achieve risk-adjusted positive returns necessary to preserve and grow capital and to support the long term and short term spending requirements of AOA. The Treasurer must balance the following overall objectives:

- A. Liquidity. AOA's investment portfolio will remain satisfactorily liquid to enable it to meet anticipated operating and cash flow requirements, which are to be analyzed continuously.
- B. Return on Investment. The investment portfolio will be designed to attain a market or better rate of return throughout a full economic cycle.
- C. Preservation of Capital. The portfolio will be protected by placing sufficient limitations on risks associated with the implementation of the return on investment objective, through the diversification of assets, and by setting specific quality standards.

AOA invested assets (hereafter called the "Fund") shall be invested in accordance with this Investment Policy and in compliance with current State and Federal laws and regulations.

III. Short Term Investment Objectives – (Working Capital Reserve)

- A. Preservation of Capital. It is important to protect the asset values of short-term investments by minimizing market value risks.
- B. Investment Return Objectives. The goal is to provide a return on investment of available cash, which:
 - 1. Maximizes interest income in an environment that preserves 100% of capital;
 - 2. Equals or exceeds the 90-day Treasury Bill rate on a consistent basis.

- C. Investment Guidelines and Target Allocations. The minimum and maximum guidelines for each investment category and the associated target allocation will typically be:

	<u>Minimum %</u>	<u>Maximum %</u>	<u>Target allocation</u>
Cash & Cash Equivalents*	30%	70%	50%
Fixed Income	30%	70%	50%

** Cash equivalents are defined as less than one-year maturities. Fixed income investments can be invested in cash equivalents as necessary.*

The investment portfolio will be rebalanced to these target percentages at least annually, or quarterly if there is a five percent (5%) or greater shift.

In the event of wide financial market fluctuations, the actual investment allocation mix can vary from the target mix with the understanding that the investment pool will be rebalanced as normal market conditions return.

- D. Authorized Investments. The primary investments shall be in secure vehicles such as governmental obligations or fully-insured accounts. Typical investments may include, but are not necessarily limited to:

1. Commercial bank certificates of deposit (up to maximum FDIC insured amount);
2. U.S. Government and California State Government guaranteed securities, as well as U.S. Treasury Bills;
3. Money market accounts offered by licensed financial institutions;
4. Corporate bonds rated "A" or higher by Moody's and Standard and Poor's with a maturity of 6 months or less;
5. Other investments that meet the security, liquidity and yield requirements and are specifically approved by the Executive Committee.

- E. Spending Objectives. The Working Capital Reserve shall be used to provide working capital, produce interest income for the operating budget, provide for unexpected operating expenses, and offset unexpected shortfalls in anticipated operating income. These funds are to be accessed as required by the Treasurer to manage the operating budget approved by the Executive Committee, with a report to the Executive Committee at the subsequent meeting.

IV. Long Term Investment Objectives – (To include Conference Contingency Reserve and General Contingency Reserves)

On an annual basis, the Executive Committee will project the likely liquidity and spending needs for the upcoming five-year period, thereby determining the

investment horizon for the Contingency Reserve accounts. The preferred asset allocation mix for the investment of the long-term Contingency Reserves will be 70% equities and 30% fixed income. If the Executive Committee anticipates the need to spend a portion of the corpus within the next three to five years, the preferred investment in equities will not exceed 50%, with the remainder in fixed income.

- A. *Investment Guidelines and Target Allocation.* The minimum and maximum guidelines for each investment category and the associated target allocation will typically be:

	<u>Minimum</u>	<u>Maximum</u>	<u>Target</u>
	<u>%</u>	<u>%</u>	<u>Allocation</u>
Cash & Cash Equivalents*	0%	20%	0%
Fixed Income	10%	50%	30%
Equities	30%	75%	70%
Alternative Investments - Real Estate	0%	10%	0%

** Cash equivalents are defined as less than one-year maturities. Fixed income investments can be invested in cash equivalents as necessary.*

The investment portfolio will be rebalanced to these target percentages at least annually, or quarterly if there is a five percent (5%) or greater shift.

In the event of wide financial market fluctuations, the actual investment allocation mix can vary from the target mix with the understanding that the investment pool will be rebalanced as normal market conditions return.

- B. *Authorized Investments.* The primary investments are to be invested in a diversified mix of mutual funds approved by the Executive Committee, within the following asset classes:

1. Domestic Equities
2. International Equities
3. Real Estate (primarily REITs)
4. High Grade Bonds
5. High Yield Bonds
6. International Bonds
7. Short Term Investments

Other investment vehicles are permitted that meet the organization's risk and return requirements and are approved by the Executive Committee. Investment instruments must meet two criteria:

1. The assets must be liquid; and
2. The assets must contribute to the overall productivity of the portfolio by increasing the expected return while controlling the risk (i.e., by having a negative correlation to other assets).

- C. *Prohibited Investments.* The AOA prohibits investments that subject the principal to a high degree of risk. Unless approved in advance by the Executive Committee, direct investment in the following types or methods of investments is prohibited:
1. Trading in Securities on Margin
 2. Trading in Commodity Futures
 3. Investing in Working Interests in Oil or Gas Wells
 4. Investing in Derivative Securities
 5. Selling Short
 6. Leveraged Buyouts
 7. Venture Capital
 8. Private Placement
 9. Precious Metals
- D. *Custodial Arrangements.* All securities will be held by a custodian approved by the Executive Committee. Such a custodian must be registered and licensed by appropriate bodies – e.g., Federal Reserve Bank, Securities and Exchange Commission. The terms and conditions of this custodial relationship shall be detailed in a written agreement with the custodian.
- E. *Spending Objectives.* The Conference Contingency Reserve and the General Contingency Reserve may be drawn upon for non-operating expenses of the organization – that is, to meet unusual, unforeseen or emergency needs not within the scope of the operating budget. They are not intended to cover anticipated Special Project, Conference or other program expenditures, which are to be considered part of the annual General Operations budget. Appropriations from the Contingency Reserves shall be authorized by action of the Executive Committee in accordance with the provisions of the AOA Reserve Policy.

V. Investment Administration

The Treasurer, in consultation with the Business and Financial Services Chair (or designee), will have full discretion to invest the assets of the Fund in a prudent manner, consistent with the Fund's objectives and established guidelines.

- A. *Investment Reporting.* At the end of each calendar quarter, the Treasurer shall report the performance of the AOA portfolio, and this report will be reviewed by the Executive Committee. Within 90 days of fiscal year-end, the Treasurer will advise the Executive Committee in writing of the investment performance for the preceding year, describing the extent to which each of the AOA investment objectives and guidelines were accomplished.

B. *Evaluating Investment Performance.* The evaluation of the performance of asset groups, if applicable, will be based on the following indices:

1. Domestic Equities: Standard and Poor's 500 Index
2. Domestic Fixed Income: Barclays Capital U.S. Bond Index
3. Cash Equivalents: 90-day Treasury Bill Rate
4. Subsets of equities and fixed income investments will be measured against appropriate benchmarks.
5. Real Estate (REITS): MSCI US REIT Index

AOA
CALIFORNIA STATE UNIVERSITY RISK MANAGEMENT AUTHORITY (CSURMA)
RELATIONSHIP POLICY

Background

On November 13, 1996 the California State University's Board of Trustees approved formation of the California State University Risk Management Authority (CSURMA) by authorizing the Chancellor to execute an agreement permitting the CSU to form a Joint Powers Authority (JPA) with its Auxiliaries to provide insurance. This policy was approved by the Executive Committee on October 12, 2001, and updated in 2009 at the recommendation of the Risk Management & Insurance Committee.

At its meeting of January 11, 2003, the AOA Executive Committee approved by Minute Action, a relationship framework with the CSU Risk Management Authority (CSURMA) to establish for AOA members effective risk management and insurance programs. This Policy Statement parallels a policy and practices resolution adopted by the CSURMA Executive Committee.

Participation in CSURMA is voluntary and an auxiliary organization is not obligated by any statute or regulation to join the CSURMA.

The types of program coverage traditionally purchased by auxiliaries (liability, excess liability, crime, property, auto physical damage, workers' compensation, participant accident insurance, etc.) are addressed by CSURMA's governing body for the auxiliary programs, the Auxiliary Organizations Risk Management Alliance (AORMA).

The benefits of an auxiliary organization's participation in CSURMA include:

- Market clout of a cohesive group to negotiate the best terms and conditions for all auxiliaries;
- Economies of scale to reduce the cost to provide coverage through group purchase and self-insurance programs;
- Cost stability resulting from individual losses being averaged over a larger premium base;
- Coverage stability resulting from members having market clout to maintain broad coverage;
- Customized programs designed to meet the member's needs; and
- A forum for the auxiliaries and the CSU to develop strategies that streamline and integrate the risk management practices of the CSU system.
- Dividends are paid to members upon approval of the AORMA Committee from surplus contributions and investment income based on an independent actuary's calculations.

CSURMA is a vehicle for arranging group purchase and self-insurance coverage for risk management programs made available to auxiliary organizations.

The Auxiliary Organizations Association commends CSURMA for its past performance and its worthwhile services to individual auxiliary organizations, and looks forward to a positive working relationship with CSURMA in the future.

The participants in CSURMA are the individual auxiliary organizations participating therein, each of whom must maintain AOA membership. Distinct from this, the AOA itself also participates in CSURMA's liability insurance program.

Policy

Effective July 1, 2003, participation in the CSURMA auxiliary organization coverage programs requires membership in AOA.

The Auxiliary Organizations Risk Management Alliance (AORMA) of the CSU Risk Management Authority (CSURMA) is designated as Risk Management and Insurance Programs standing committee to the AOA Executive Committee to advise upon and coordinate risk management and insurance, including employee benefit programs, made available through the CSURMA to AOA members. The Chair of this committee shall serve as a voting member of the AOA Executive Committee. The committee shall develop a guidelines statement for approval by the AOA Executive Committee. The statement shall express the appropriate charge of the committee and provide for subcommittees, membership criteria, and a process for nominating and electing committee and subcommittee members.

Promoting CSURMA Programs

AOA, through its designated standing committee, will actively sponsor presentations and information that promote CSURMA auxiliary organization coverage programs to AOA members.

AOA

MEMBERSHIP DUES POLICY, SCHEDULE & LIMITED DELEGATION OF AUTHORITY

Background

This statement is a consolidation of the August 18, 2006 *Membership Dues Policy* and the January 11, 2003 *Membership Dues Schedule and Limited Delegation of Authority Policy*.

This policy statement memorializes action by the Membership at its 2002 Business Meeting to increase the dues, and to delegate limited authority to the Executive Committee to adjust the annual dues rates. A number of years have elapsed since the last Membership Dues Rate Schedule increase. The Executive Committee explored with some success ways to keep the Association fiscally viable without an increase to the dues schedule. Since the last dues increase the Association's operating costs have increased dramatically. Efforts to contain costs, yet improve member services, have included:

- Electronic distribution of current events and important notices;
- Establishment and enhancement of AOA web site;
- Placement of AOA Resource Center on AOA web site;
- Proactive response to adverse legislation;
- Comprehensive business & conference support services;
- Active special interest standing committees;
- Web-based Members Directory;
- Cost-effective professional conferences/workshops & monographs
- Enhance conference revenue through sponsorships and higher attendance; and
- Utilization of e-mail and electronic zip files for distribution of AOA meeting materials.

Under the AOA Bylaws, approval of the Membership is required to change the dues schedule. The Membership can also delegate such responsibilities under the California Nonprofit Corporation Law.

At its meeting of November 30, 2001, the Executive Committee authorized a proposal for submission to the Membership at its Business Meeting to be held in connection with the 2002 Annual Conference.

The Membership, with some opposition expressed, voted to delegate limited authority to the Executive Committee to adjust the Membership Dues Schedule as set forth below. The expressed rationale for this delegation was to provide a more flexible way for the Association to make modest rate adjustments from year-to-year through its governing board, while keeping the membership informed and able to budget for the dues payments.

Purposes

It is the intent of the AOA Executive Committee that the Membership Dues Policy shall form the basis for determining membership dues assessments for individuals, institutional member organizations, commercial organizations and support organizations in accordance with the AOA membership structure.

Membership Dues Assessment Guidelines

The following guidelines shall be used in assessing annual membership dues:

- Individuals: There shall be no individual dues charged for membership in AOA. Individual membership is provided through institutional, commercial or recognized affiliate organization members as described in the AOA Membership Structure.
- Institutional Member Organizations: Membership dues for CSU auxiliary organization members in good standing shall be assessed in accordance with the approved indexed schedule and shall be based primarily on prior year gross revenues of the auxiliary organization as reported by the CSU Chancellor's Office. The total revenue used for the calculation shall be based on the total of the Total Operating Revenues and Net Non-Operating revenues. Revenue data for the prior June 30 will be provided to AOA by the CSU Chancellor's Office each January.
- Commercial Organizations: These organizations support the mission of AOA by participating via partnership as described in the Annual Conference Business Partnership Policy. These organizations pay no membership dues.
- Recognized Affiliate Organizations: Nonprofit organizations engaged in work pertaining to higher education and/or student affairs that support the mission and activities of AOA pay no membership dues, will be listed on the AOA website and may attend the annual conference at the AOA member rate. Qualifying nonprofit organizations requesting designation as Recognized Affiliate Organizations should submit a request for approval to the AOA Executive Committee.

Membership Dues Rate Limited Delegated Authority Policy

The Executive Committee has delegated authority from the Membership to adjust the annual dues rates a maximum of ten percent (10%) per year commencing in 2003 in order to sustain the financial stability of the Association and to maintain the level of service to the members.

Such increase would be instituted for an ensuing year based upon notification to the Membership by July of the prior year. Any adjustment of annual dues beyond this delegated authority limit shall be referred to the Membership in accordance with the Bylaws. The Executive Committee will endeavor to raise the rates as little and as seldom as possible. The dues policy will be subject to periodic review as part of the Long Range Financial Planning process.

Approved by AOA Executive Committee in 2009

III. Lifetime Honorary AOA Member Award

A. Background. AOA has a history of recognizing and honoring those who have supported the organization through exemplary service.

The thirty-year service of John Francis, as legal counsel, prompted the creation of a special service recognition award in his name. Awardees over the years have included a diverse selection of those individuals beyond the leadership

ranks who have demonstrated consistent and outstanding service, typically in a special focus area.

The Harvey Goodfriend memorial award honored a beloved AOA leader and newsletter editor by granting lifetime honorary AOA memberships to deserving retirees, or others leaving auxiliary organization service, for their exceptional and broad contributions to AOA.

B. Reconstituted Award. While continuing to acknowledge and honor the service of these two past leaders, these two awards are now reconstituted as the *Lifetime Honorary AOA Member Award*.

C. Award Candidacy Criteria. Award candidates put forward by nominators to the Award Nominations Committee should clearly and specifically demonstrate the following illustrative criteria:

- Extended professional involvement in the ranks of AOA leadership;
- Ongoing support to AOA programs, particularly the Annual Conference;
- Extensive and shared knowledge of the role and functions of auxiliary organizations; or
- Consistent support to AOA and of its member organizations.

Candidates shall be drawn from member-organization employees, Chancellor's Office officers or staff, or AOA service-providers who have retired, or are retiring or transferring to another position outside the CSU system as of September 1 of the year preceding the annual conference at which awards are presented.

Candidate nominators shall represent a member-organization, but need not be an AOA officer, Executive Committee Representative or Committee Chair.

D. Nomination Process. The Nominations Committee Chair President will appoint an Award Nomination Committee Chair who shall jointly appoint two to five additional committee members. The Award Nominations Committee Chair should have many years of AOA experience including several years on the Executive Committee. Committee membership should be diverse, represent a broad range of auxiliary types, and have significant AOA involvement / experience. Composition of the Award Nomination Committee shall be anonymous, except for the Chair.

Candidate nominators should expect the Award Nomination Committee Chair to be in contact to obtain needed clarifying or additional information on candidates.

E. Award Schedule

Call for Candidate Nominations: August through October 15

Award Nomination Committee Meeting: Late October

Executive Committee Action on Award Nominee(s): November Meeting

Award Presentation(s): January during Annual Conference

E. Award Perquisites:

- Exemption from Annual Conference Registration Fees;

F. Multiple Awards. This annual recognition may be awarded to more than one nominee if warranted and upon the recommendation of the Award Nomination Committee.

IV. Outstanding Accomplishment Award

From time to time the Officers Group may authorize deserving individuals proposed by Executive Committee Representatives or Liaison representatives, for outstanding accomplishment recognition in service to AOA or to any of its member-organizations.

The Officers Group shall solicit proposed award recipients by mid-August to be submitted back by September 15. Selected awardee(s) shall be reported to the Executive Committee on or before October 15.

This recognition may be awarded each year to more than one qualified individual.

Recipients of an *Outstanding Accomplishment Award* shall be introduced and recognized at the Annual Conference during the President's Luncheon, and presented with a Visa Gift Card.

Approved by the Executive Committee on August 17, 2018

AOA SIGNATORIES AND REPOSITORY OF CONTRACTS POLICY

Purpose

The purpose of this policy is to ensure that AOA has a clearly articulated policy in place with regards to the execution of contracts that obligate the organization to perform in some manner; which often contain financial obligations/risks on behalf of AOA. The second goal of this policy is to establish an official repository of executed contracts on behalf of the organization.

The decentralized manner in which AOA conducts its business has been successful to date as evidenced by the great work of the Standing Committees. However, the organization must have a centralized approach to record keeping and the maintenance of its corporate files.

To that end, this policy provides that all contracts executed on behalf of and obligating the AOA be signed by two Officers of the organization and provides that an executed copy be kept within the corporate files that are in possession of the Secretary/Treasurer.

Policy

1. Contracts in the name of the Auxiliary Organizations Association (AOA) require the signature of two authorized individuals (one being the Secretary/Treasurer).
2. The following positions are authorized to execute contracts in the name of AOA:
 - a. President
 - b. President-Elect/ Conference Committee Chair
 - c. Immediate Past President
 - d. Secretary/Treasurer
3. All executed contracts must be forwarded to the Secretary/Treasurer for signature and final execution. The Secretary/Treasurer will then retain a copy within the corporate files of the organization.

Approved by the Executive Committee on November 14, 2003 and updated in 2009

AOA RECORDS MANAGEMENT POLICY

Background and Purpose

The Auxiliary Organizations Association (AOA) recognizes that sound business practices call for the orderly management of its official records, together with a documented records retention and destruction schedule congruent with applicable state and federal laws and regulations.

This statement identifies the major record compliance standards, establishes a comprehensive records management policy, and provides for a records retention schedule, and an implementation process.

It is recognized that AOA is an evolving organization and that the scope and extent of this policy will need to keep pace with that evolution. This is particularly the case with the interim arrangements for archiving organization “hard-copy” records. The present arrangement involves temporary storage of these records at a private storage facility in Chico, under the custody of the AOA Business Manager.

Primary Compliance Standards

As a nonprofit public benefit tax-exempt corporation, the AOA is required to comply with records and report management standards of the Attorney General, the Franchise Tax Board, the Secretary of State, and the U.S. Internal Revenue Service, including the following specifically related to record retention:

- Access to Records. *The California Attorney General has the statutory authority to inspect all organization documents* [Corps. Code § 5250].
- Retention of Tax-related Records. *Federal tax information returns must be maintained for three years* [U.S. Treas. Reg. § 1.6033-2(a)(2)(i)]. *Federal and State tax returns and related documents should be kept for eight years* [IRS Pub 583, Table 3 & Rev & Tax Code § 19057].
- Corporate Documents Retention. *Up-to-date original or copy of articles of incorporation and bylaws must be kept at organization’s principal California office* [Corps. Code § 5160]. *Adequate and correct books and records of account, including board and committee proceedings shall be kept* [Corps Code § 6320].

Policy

All official records (paper, microfilm, electronic, or any other media) will be created, distributed and filed on an orderly basis. Such records shall be retained for the minimum periods stated in the *Records Retention Schedule* (see below). After a specified period of time, official records must be disposed of in a manner that is consistent with, and systematically carried out in accordance with, prescribed records management guidelines and procedures, including a filing system, developed and maintained by the Secretary-Treasurer.

Duplicate files, duplicate copies, and stocks of obsolete forms or pamphlets originally intended for distribution are not considered to be official records or record copies. Duplicates or non-record convenience copies should be destroyed when they cease to be useful and should never be kept longer than the official record copy.

The *Records Retention Schedule* (see below) provides a list of official organization records and prescribes *minimum* periods of authorized retention. The *Schedule* may be revised periodically by the Secretary-Treasurer to include a newly created record type or series, to change retention compliance periods, or to delete a record type or series no longer required or deemed useful. *Schedule* revisions shall be brought to the attention of the Executive Committee and published as a revised Appendix A to this policy statement.

Notwithstanding the prescribed minimum retention periods, all records must be maintained until all required audits or inspections by agencies of competent jurisdiction are completed and should be retained beyond the listed retention period(s) when there is a probability of litigation either involving records or requiring their use.

Documents may be maintained for the prescribed minimum retention period(s) in microfilm or other equivalent electronic media, as long as they are readily accessible. Official records kept only in electronic format must be identified in the *Retention Schedule* and must comply with any applicable statutory or regulatory standards.

Consistent with applicable compliance standards and good business practices, the Secretary-Treasurer is authorized to implement this policy, including: adopting and maintaining a systematic records filing system; updating the *Records Retention Schedule*; converting records to an alternative archive media; and destruction practices. Implementation practices shall be subject to the operating budget process, and periodic reports to the Executive Committee on significant implementation developments.

AOA STANDING COMMITTEE FUNDING POLICY

Purpose

The purpose of this policy is to provide Standing Committee Chairs a process to request funds for the needs of the committee.

Policy

Annually, during the budget process, standing committee chairs shall prepare and submit a formal request for funds to the Executive Committee, including reasonable meeting expenses (facility charges, trainer fees, and food expenses proposed in connection with the meeting/conference). Individual participants are responsible for travel, lodging, and for meal expenses not covered in the meeting fee. The annual request for committee funding should project the amount of funds required and the expected purpose of which those funds will be utilized.

Funding is available for the cost of speakers/trainers obtained for the standing committees held at the annual conference. Funding for such programs requires a formal request submitted to the Conference Planning Committee.

While there is no annual minimum or maximum number of standing committee meetings allowed, nor a minimum or maximum number of days over which to hold such meetings or conferences, they should be relevant and necessary.

From time to time, whether during the annual budget process or not, standing committee chairs may develop, in concert with their respective committees, and submit to the Executive Committee formal requests for special project funding to support either the committee or AOA's mission.

Additional funding consideration is given to standing committees for training needs arising from new legislation or compliance requirements.

All funding requests are considered by the Executive Committee based upon available funds, the request justification, and Association priorities.

Approved by the Executive Committee on March 21, 2008

AOA
LIMITED DELEGATED AUTHORITY TO OFFICERS GROUP POLICY

Purpose

The Bylaws provide that the Executive Committee, as the AOA governing body, has the authority, subject to membership powers, to manage the organization.

The purpose of this policy is to ensure that there is sufficient continuity of organization operations between Executive Committee meetings by delegating limited authority to a designated Officers Group to act in certain circumstances on behalf of the Executive Committee.

Policy

At the initiation of the President or President-Elect, the Officers Group may meet to consider and act on behalf of the Executive Committee in the following situations when it is not practicable for the Executive Committee to meet, and circumstances are deemed to require prompt action:

- a. Policy positions of the organization, consistent with CSU policy;
- b. Unbudgeted expenditures not to exceed \$20,000, for purposes consistent with purpose of the organization; or
- c. Special projects involving expenditures within the limits specified in 1(b) above.

The Officers Group under this policy shall consist of the following positions:

- a. President
- b. President-Elect
- c. Immediate Past President
- d. Secretary/Treasurer

Any actions taken by the Officers Group must be unanimous and shall be promptly reported in writing or electronically to the Executive Committee by the President or an Officer Group designee of the President. All such actions shall be included in the President's Report on the agenda of the subsequent Executive Committee meeting.

Approved by the Executive Committee on November 16, 2007

AOA STANDARDS OF CONDUCT POLICY

Purpose

To restate statutory standards of conduct applicable to Executive Committee (governing board) members and officers, and to establish a policy framework of parallel standards for volunteers, agents and other representatives of the organization.

Reference

California Corporations Code, Section 5233

Background

The Auxiliary Organizations Association is a chartered California nonprofit public benefit corporation and its governing board (the Executive Committee), officers, and representatives from member organizations have a fiduciary duty to exercise care, skill and sound judgment in all organization affairs.

Some Executive Committee members may also be auxiliary organization or state employees or officers subject to statutory and Board of Trustees requirements distinct from the requirements set forth in this statement. This policy applies to all Executive Committee members.

Each Executive Committee member has a general affirmative duty to know and understand the conflict of interest standards, and to disclose to the Executive Committee any known real or perceived transaction conflict, and to step aside from deliberations and actions on such matters.

Policy

A. Self-Dealing Director Transactions under Corporations Code

Transactions of the organization that involve an Executive Committee member with a material financial interest may be subject to Corporations Code self-dealing standards. The following are typical examples of permissible transactions under Corporations Code standards:

- Setting compensation for Executive Committee members or Executive Committee members as officers;
- Employment contract between organization and an Executive Committee member;

- Actions that are part of the organization's public or charitable purposes, when approved in good faith and without unjustified favoritism (even if one or more board members or their families benefit as part of the class of persons intended to benefit from the program);
- Other organization transactions involving an "interested" board member(s) who have no actual knowledge of the transaction, and the financial interest in the other party to the transaction does not exceed the lesser of 1% of gross receipts for the preceding fiscal year, or \$100,000; or
- The approval prior to or after the transaction is obtained from the Attorney General, or through the statutory validation process by the Executive Committee, or by a committee or officer authorized by the Executive Committee.

B. Other Actions or Transactions

Except as provided in Section A above, Executive Committee members, officers, employees, volunteers or designated agents or other representatives shall not engage in self-dealing actions or transactions in which they have a personal pecuniary interest. Examples include, acceptance of compensation, advances, discounts, loans, gifts, entertainment or other favors in actual or perceived exchange for, or to influence organization actions, judgments or transactions.

The organization encourages the prompt disclosure of any such conflict, real or perceived, to the AOA President for review and determination. In any case involving the AOA President, disclosure shall be made to the AOA Compliance Advisor for review and determination consistent with this policy statement.

Procedures

A. Executive Committee Deliberations and Actions under Financial Interest Circumstances

Any Executive Committee member with an actual or apparent financial interest in a pending or completed transaction involving the organization shall promptly disclose the nature and scope of that interest to the designated officer, and thereupon be recused from participating in any deliberations or actions on that matter. The Executive Committee meeting minutes shall note the disclosure and recusal. The Executive Committee shall then make a determination whether or not the transaction is permissible and just and reasonable for the organization at that time and under the circumstances. If so, the Executive Committee may then authorize, approve, or validate the transaction in good faith by a vote sufficient for the purpose of the action without counting the vote(s) of such financially interested Executive Committee member(s).

B. Purchasing/Expenditure Authorization Certification

Organization officers, agents or others with purchasing and expenditure authority shall receive, review, sign and return the *Signature Authorization Certification*, in a form prescribed by written procedures, acknowledging the following prohibitions and certifying that they will avoid them:

- Engaging in or having any self-interest in any business or transaction, or incurring any obligation which conflicts with or gives the appearance of conflicting with or impairing independent judgment in the discharge of duties owed the organization;
- Accepting money, tips, or other considerations for work required or expected in the regular course of organization duties;
- Self-referring organization clients, donors, or customers, or recommending others with which there is a personal pecuniary (financial) interest;
- Accepting gifts, gratuities or other favors from those having a business relationship, or prospect of a relationship, with the organization; or
- Disclosing organization information, not a matter of public record, without authority, or using such information for personal gain.

AOA WHISTLEBLOWER PROTECTION POLICY

General Policy

The Auxiliary Organizations Association (“the organization”) requires Executive Committee Members and members of standing committees or other similar sub-boards, officers, any employees, and agents or other representatives, to observe high standards of business and personal ethics in the conduct of their duties and responsibilities. The organization’s reputation and credibility depends in large measure upon the consistent practice of honesty and integrity in all operations and matters.

Reporting Responsibility

This Whistleblower Protection Policy is intended to encourage and enable the raising of serious concerns internally so that the organization can address and correct inappropriate conduct and actions. It is the responsibility of all Executive Committee Members and any committee members, officers, employees and volunteers or other representatives to report concerns about conflicts with the organization’s conduct standards policy or suspected violations of law or regulations that govern the organization’s operations.

No Retaliation

It is contrary to the values of the organization for anyone to retaliate against those who in good faith report a suspected conduct of standards violation, or a suspected violation of law, such as a complaint of discrimination, suspected fraud, or suspected breaches of organization policy. Retaliation against someone who has reported a violation in good faith shall be considered a serious breach of the organization’s standards of conduct.

AOA MEMBER EMPLOYEE BENEFITS ANCILLARY PROGRAM STATEMENT

Background

The Auxiliary Organizations Association (AOA) has developed and intends to further facilitate an ancillary service support program (Program) around one or more benefit plans available to all AOA member-organizations for their employees. To better organize and manage the Program, the AOA Executive Committee has endorsed the creation of the CSURMA/AORMA Benefits Program Committee.

Purpose

This statement outlines the relationship between the Group and AOA, the framework within which the Group agrees to operate, and the general policies of the Program as viewed by both AOA and the Group.

AOA Relationship

AOA serves a limited role as a facilitator of this Program by:

- a) Helping to identify member employee benefit plan needs for inclusion in the Program;
- b) Negotiating with qualified private benefit providers (directly or through a broker) based upon Program requirements;
- c) Acting as the policyholder of plans on behalf of the Group through appropriate written master arrangements with private benefit plan providers or through a broker agreement(s) approved by the Group;
- d) Assisting with the marketing of approved plans to AOA member organizations; and
- e) Evaluating Program effectiveness.

Group Framework

The Group is charged with:

- a) Assessing the needs of member-organizations for benefit plans and coverage features;
- b) Recommending benefit plans and coverage features for the greatest benefit of all auxiliaries;
- c) Screening for qualified private benefit providers;
- d) Overseeing Program benefit plans and serving as liaison to benefit providers; and
- e) Recommending Program improvements, including long-range plans.

Composition of the Group shall include at least one participating member-organization in each of the Program benefit plans. As initially structured, organizations participating in the medical program shall be invited to participate as long as that number does not exceed 10. At the point when there are more than 10 organizations participating in the medical

program, membership in the Group (up to 10) will be determined by a vote of those participating in the medical program and must be representative of the demographics affected by size and location. The Group will have the option of inviting subject-matter experts to participate in meetings as well as non-participants in order to assist with assessing the needs of all AOA member organizations.

The Group shall meet to conduct business on a timely, scheduled basis on matters set out in a notice and agenda to all Program participating member-organizations at least seven working days in advance of each meeting. Urgency matters may be considered and acted upon by the Group within three working days notice of the agenda matters to Group participating member-organizations. Urgency meeting notices shall disclose the nature of the matters requiring urgent consideration/action.

The Group shall designate a Group Chair who is a representative of a Group member-organization. The Group Chair shall organize and conduct Group affairs, including meetings, correspondence and representation of the Group to others (and act as liaison to the AOA Executive Committee).

Recommendations for Group matters shall be reported to the AOA Executive Committee for approval. Approval for Program modifications shall vest with the Executive Committee which in turn has the authority to delegate approval authority to the Officers Group. When time constraints are involved (e.g., at renewal time), the Group will report directly to the Officers who will have authority to approve such recommendations.

Member-Organization Responsibilities

Each member-organization participating in the Program shall be separately responsible for (in a manner consistent with the provision of each group benefit plan arrangement):

- a) Eligibility determination
- b) Enrollments
- c) Communication of benefit programs
- d) Premium payments under group benefit plans in which it elects to participate

General Program Policies

Participation in the Program is limited to AOA member-organizations having good-standing status as defined in the California Code of Regulations, Title 5, Section 42406.

AOA and the Group shall exercise Program due diligence and engage in practices within industry-accepted standards. Program group employee benefit plans shall comply with applicable law.

The Group and the AOA Executive Committee may develop and adopt more detailed written policies and practices consistent with this statement. All policies and practices shall be reported to participating member-organizations, the Group, and the AOA Executive Committee.

AOA CONFLICT OF INTEREST PROCEDURES

Reference: *Standards of Conduct Policy*

Purpose: To implement the referenced policy statement with conflict of interest procedures.

Background:

The organization's *Standards of Conduct Policy* calls for written procedures to implement the policy. These procedures include definitions, certification processes, and reporting forms. The procedures must be consistent with the policy statement, and have been reviewed and approved by the Officers Group.

Definitions:

A *conflict of interest* (potential or actual) exists when legal obligations or widely recognized professional or accepted norms are likely to be compromised by a person's other interests, particularly if those interests are not disclosed. This term is frequently attached to situations described as *perceived conflicts of interest* – that is, when others may view a relationship or involvement with a transaction as creating a compromising position for the person(s). *Perceived conflicts* typically involve more subjective values, but must still be considered within the context of the organization's policy and mission. The fundamental question to be answered is: *how would an ordinarily reasonable and prudent person decide?*

Financial Interest in a decision means that it is reasonably foreseeable that a decision by the person will have a material financial or economic personal, family or business effect on that person. Such an effect should be distinguished from its effect on the public generally. Materiality may be gauged by the following examples:

- A business entity in which the person has a direct or indirect investment of at least \$1,000.
- Real property in which the person has a direct or indirect interest worth at least \$1,000.
- An income source (excluding gifts or commercial loans on terms available to public) totaling at least \$250 in value provided to, received by or promised to the person within 12 months before the decision.
- A business entity in which the person is a director, officer, partner, trustee, employee, or manager.
- A donation (direct or through agent or intermediary) of a gift(s) totaling at least \$250 in value provided to, received by, or promised to the person within 12 months before the decision.

Personal Pecuniary Interest or Gain means any direct or indirect material financial or economic advantage derived by a person from a transaction or use of information. Indirect advantage includes any investment or interest owned by the spouse or dependent child of the person, by an agent for the person, or by a business entity or trust in which the person, the person's agent, spouse, or any dependent children own directly, indirectly, or beneficially, at least a 10% interest.

Transaction of the Governing Board means any action by the Executive Committee that approves, authorizes, or ratifies a business arrangement or exchange, or establishes a relationship involving either consideration or an intent to donate. An agreement or contract is a type of transaction.

Procedures:

Annual Executive Committee Member Certification

Following the last meeting of the Executive Committee in the fiscal year, each Board member shall receive a *Related Party Questionnaire and Conflict of Interest Certification* form with a copy of the organization's *Standards of Conduct Policy* and implementing procedures, with instructions for completing and returning the form.

Completed forms shall be returned to and reviewed by the AOA President in accordance with the *Standards of Conduct Policy*. Any policy conflicts raised in any of the completed forms shall be resolved and documented. All completed forms and related documentation shall be filed and retained consistent with the organization's records retention policy and practices.

Conflict of Interest Reporting

Potential or actual Executive Committee member or employee conflicts of interest shall be reported in writing on a timely basis to the AOA President in accordance with the *Standards of Conduct Policy*. Such reports shall include a concise, but complete statement of facts (including dates, nature of transactions or decisions, individuals/entities involved, and financial materiality).

Purchasing/Expenditure Authorization Certification

Employees or agents authorized to make purchases for the organization, expend organization funds, or otherwise obligate organization assets shall first receive, review, sign and return the *Signature Authorization Certification* form. The form shall include the prohibitions cited in the *Standards of Conduct Policy*.

Completed forms (with copy to certifying person) shall be reviewed by the AOA President and filed in accordance with the organization's records retention policy and practices.

Consultation Process

Conflict of interest issues can often be complex in nature. As the reviewing official, the AOA President may consult with the Officers Group and legal counsel in appropriate circumstances to prudently assess and resolve conflict circumstances in the best interest of the organization.

Procedures Report to Executive Committee

These procedures, and any changes to them, shall be reported to the Executive Committee. The reviewing official shall periodically review these procedures and make appropriate recommendations to the Officers Group.

Applications will be accepted from each of the California State University (CSU) Auxiliary member organizations. Student applicants may self-nominate themselves. A letter of reference/endorsement from a CSU Auxiliary Organization employee(s) must accompany all applications. Student applicants are expected to apply directly to the AOA business office, by the established deadline.

CSUnity CONFERENCE ADMINISTRATIVE POLICY

Purpose

This policy statement establishes the CSUnity Conference as an annual program of the AS/SU/RE Committee, and creates a fund balance restriction for the accumulated net income of the CSUnity conferences.

Background

The CSUnity Conference was inaugurated in 2012 at the initiative of the AS/SU/RE Committee to provide synergy among the member organizations. The purpose of the conference is to come together as a group and provide coordinated student leader training, which was previously conducted by the organizations individually. The conference prepares student leaders for the legal and fiscal responsibilities that come with serving on a governing board, such as an Associated Students Board or a Student Union Board. The training covers auxiliary governance, leadership development, and peer networking. The conference has a planning committee, consisting of members of the AS/SU/RE Committee, CSSA, and students, which coordinates the logistics of the conference. This committee oversees host campus logistics, catering, accommodations (if on-campus), program development, marketing, advertising, and registration.

Originally, CSSA established a trust account to process registrations and expenses, and to hold the accumulated net income. Since the inception of the conference, AOA has provided support through a financial contribution, business partner revenue, and assistance processing expenses.

In January, 2014 the AS/SU/RE Committee agreed that the conference should be formalized as an annual program of the AS/SU/RE Committee, and that oversight of conference expenses and the holding of net income should come under the AOA umbrella.

Policy

The CSUnity Conference will be managed as an annual program of the AS/SU/RE Committee with administrative oversight and support by AOA. The role of AOA will consist of:

- Assistance with negotiation and execution of contracts with hotels, posting of registration revenues (reconciled to an attendee spreadsheet by the conference committee), and payment of documented conference expenses as approved by the conference committee.
- Establishment and oversight of a restricted Fund Balance account for the

accumulation of net conference income for use by future CSUnity conferences, or for other purposes as proposed by the AS/SU/RE Committee and approved by the AOA Executive Committee.

- Assistance in securing Business Partner sponsorships to off-set conference expenses.

Policy and Practices

SECTION 3: STANDING COMMITTEE OPERATING GUIDELINES

ASSOCIATED STUDENTS/STUDENT UNION/RECREATION

Mission

The AOA Associated Students/Student Union/Recreation standing committee (AS/SU/RE) is established to provide a structured forum to inform, develop, support and represent the particular needs and interests of the professional staff of Associated Students, Student Union and Recreation organizations, often functioning as student-directed auxiliaries on the CSU campuses.

Goal

The Committee's primary goal to achieve its mission is communication, networking and support of its members. The committee will seek to develop an open dialogue, provide resources, programs and services that allows for the exchange of ideas, the development of system-wide strategy and the education and empowerment of its members.

Membership

All professional staff employed at Associated Students, Student Union and Recreation organizations throughout the CSU system are actively encouraged to participate in the scheduled meetings, as well as other allied professionals involved in the issues and operations of their respective organizations. However, at its core, the committee shall consist of the professional directors of Associated Students, Student Union and Recreation auxiliaries throughout the CSU campuses, or their assigned designees.

Core Membership

Campuses having a combined AS/Student Union, Student Union/Recreation or AS/Student Union/Recreation auxiliary will be asked to designate two members to the Committee's core; one to represent the Associated Students, one to represent the Student Union and one to represent Recreation.

It is highly recommended that the Executive Director of the California State Student Association (CSSA) along with the AOA Executive Committee liaisons from the CSU Chief Administrators and Business Officers (CABO) and Student Affairs be formally included in the Committee's core. The Vice Chair shall be elected during the AOA Annual Conference and will serve a one-year term as Vice Chair during that year and move into the Chair position for a one-year term the following year.

Directors Subcommittee

Consistent with this committee's goal of facilitating communication, networking, and support among its members, there shall also be a subcommittee of student-governed auxiliary executive directors that meets at least monthly. The purpose of this subcommittee is to ensure consistent collaboration, problem solving, and sharing of timely and critical information among the senior leaders of student-governed auxiliaries. This subcommittee is established in recognition that regular engagement among the executive directors in the areas of administrative affairs, programs and services, and policy and statutory matters benefits their organizations' stakeholders. To the extent that this subcommittee engages in sensitive topics of discussion, formal requests of or strategic counsel to the AOA, those

items shall be routed through the Chair of the AS/SU/RE Committee.

CSSA Liaisons

Two Committee members, one northern and one southern, shall be selected to serve as liaisons to the California State Student Association (CSSA) during the Committee meeting at the AOA Annual Conference. Their roles are to communicate regularly with the CSSA Executive Director to provide an Associated Students management perspective on policies, legislation, CSU Executive Orders and other matters coming before the CSSA Board of Directors. The CSSA Liaison will attend the monthly CSSA meetings in their region, whenever feasible, and provide reports of the meeting outcomes to the Chair of the AS/SU/RE committee. The northern and southern CSSA Liaisons terms are one year, beginning July of that year. Term may be extended.

CSUnity Host

A CSUnity Host shall be appointed during the CSUnity Annual Conference, the AS/SU/RE Committee's summer meeting or the Committee meeting during the AOA Annual Conference. The role of the CSUnity Host is to coordinate the annual CSUnity conference at their respective campus. The CSUnity Host may request conference funding support from the Committee's annual budget through the AS/SU/RE Chair. The CSUnity Host term is one year. Term may be extended.

AS Advisors Summit Coordinators

An AS Advisors Summit Coordinator shall be appointed during a CSSA meeting, the AS/SU/RE Committee's summer meeting or the Committee meeting during the AOA Annual Conference. The role of the AS Advisors Summit Coordinator is to connect all the professional staff throughout the CSU Campuses who work directly with their respective government structures for networking and best practices sharing. The AS Advisors Summit meetings are intended to coincide with the CSSA meeting dates. The AS Advisors Summit Coordinator term is one year. Term may be extended.

Role of the Chair

1. Plan, coordinate and conduct Committee meetings: one summer meeting and one meeting during the AOA Annual Conference. Additional meetings, including web meetings or conference calls may be conducted as needed
2. Call for agenda items, publish agendas, disseminate meeting minutes and other pertinent documents, resources and information to members
3. Represent the AS/SU/RE Committee on the AOA Executive Committee
4. Attend all AOA Executive Committee meetings. Typically, there are five meetings; one at the Annual Conference, one at the CSU Chancellor's Office, two at the following year's Annual Conference hotel site, one at a future Annual Conference hotel site
5. Work with the Vice Chair to establish the annual Committee budget
6. Foster and encourage membership on the Committee and attendance at the meetings
7. Welcome all new members to the Committee
8. Prepare and present reports for the AOA Executive Committee meeting and the AOA Annual Business Meeting
9. Establish subcommittees to accomplish specific objectives
10. Ensure CORE Membership, CSSA Liaisons, CSUnity Host and AS Advisors Summit Coordinator positions are filled
11. Foster and ensure Committee leadership succession planning with the Vice Chair

12. Maintain history binder for incoming Chair and Vice Chair

Role of the Vice Chair

1. Serve as Chair of the Committee in the absence of the Chair
2. Assist the Chair in Committee operations, planning and facilitating meetings
3. Foster and ensure Committee leadership succession planning with the Chair
4. Coordinate and assist the Chair with the call for nominations for Vice Chair and other appointments
5. Maintain and update membership roster
6. Serve as Chair upon conclusion of serving as Vice Chair

Role of the Committee Recorder/Secretary

1. Appointed by the newly seated Chair from within all active Committee members and affirmed by the Committee members
2. Take meeting minutes, submit draft minutes to the Chair and Vice Chair for review and edits
3. Assist in Disseminating documents and information to Committee members
4. Assist the Chair and Vice Chair as needed

Meetings

The Chair is responsible for planning and facilitating scheduled meetings and maintaining communication among members throughout the year. The Committee shall gather at a minimum twice annually: during the AOA Annual Conference and mid-summer. The mid-summer meeting should, whenever possible, alternate between northern and southern California. Additional programs, workshops, web meetings or conference calls are encouraged in spring and fall, as needed, with a consensus of membership.

Amendments

Committee direction is provided through consensus. As such there are no outlined formal voting procedure requirements. Proposed amendments to these Operating Guidelines shall be submitted to the AOA Executive Committee for final approval.

LONG RANGE FINANCIAL PLANNING FRAMEWORK

Background

The Long Range Planning Committee periodically undertakes a review of AOA's financial position and its operations and programs, projects its budgetary needs, and recommends a plan for long-term sustainability.

At its meeting of January 7, 2017, the Executive Committee received and accepted a memorandum-report from the Long Range Planning Committee (LRPC) outlining several proposed planning principles and steps to implement a structured long range financial plan.

As the LRPC report noted –

AOA has been strategically utilizing excess reserves to fund enhanced conference services, provide additional resources to standing committees and fund special projects while holding dues constant. This strategy has benefited the membership in the following ways:

- *Enhanced conference services – utilization of reserves allowed the conference planning committee to buy down the cost of the conference hotel rooms for members and to maintain a conference registration fee substantially lower than that of conferences put on by comparable professional organizations. Enhanced conference services provided include a conference mobile app, free internet service in meeting areas, and receptions to encourage networking*
- *Expanded funding was provided to the Standing Committees to boost training and resources for members in the areas of HR, Finance, Research, AS/Student Unions/Recreation Centers, IT, Commercial Services, Property Development/Management, and Risk Management*
- *Increased funding for special projects – funded training workshops (e.g., on the Affordable Care Act policy and compliance monographs for auxiliaries, and redesign of the AOA website*

This strategic utilization of reserves has allowed AOA to hold dues constant for the past six years with the last dues increase in 2011 and 2012 when dues increased overall by about 60%. Excess reserves are anticipated to be fully utilized by the end of the 2017 calendar year.

The Executive Committee tasked the LRPC to develop and recommend a formal framework within which AOA could effectively measure and achieve a stable financial balance between operating costs, resources and reserves.

Policy Planning Principles

General: AOA will gradually build its net assets position over time by annually balancing modest revenue enhancements with in-tandem spending reductions. In accordance with the Bylaws, the Executive Committee will implement a 10% dues increase effective January 1, 2018. Based on the current membership levels, the increase in annual dues to organizations will range from \$50 - \$150.

Planning Guidance: The following guiding principles are adopted as the framework for budgeting, resource development and program evaluations:

- Increase dues annually by a modest and predictable amount (the Bylaws allow up to 10% per year with proper advance notification to the membership). This would level-out cost increases and allow member organizations to plan budgets in advance
- Strike a balance between increases in conference income and income from dues, using both to fund operations, special projects and reserve levels. Thus, conference registrations will increase modestly each year, along with the dues
- Stabilize the annual net income streams for General Operations and the Conference, using

gradual and consistent inflationary increases to support special projects and maintain reserve levels

- Evaluate the types of services offered and current operating expenses with a view to controlling costs
- Maintain the existing contingency reserve levels of \$250,000
- Formalize a policy framework to guide AOA's work in reviewing both revenues and expenses on an annual basis
- Review the Bylaws and update as needed

Framework Implementation

Near Term Practices: The Business Manager, Executive Committee, Standing Committees and Conference Planning Committee shall be guided by this Framework in:

- Developing, recommending and adopting the annual budget
- Evaluating member services and programs
- Designing the scope and content of the Annual Conference

Long View Practices: This Framework shall inform criteria used by the Executive Committee, working in concert with the LRPC, to analyze and decide on starting or ending any major or multi-year program or service.

The LRPC shall periodically review this Framework and recommend any revisions to the Executive Committee.

Adopted by the Executive Committee on March 24, 2017

The Executive Committee shall be this corporation's governing body. The Executive Committee shall set the policies and oversee strategic direction and operations of the corporation. The Executive Committee may delegate the management of the activities of the corporation to any person or persons, including service-providers, provided that the activities and affairs of this corporation shall be managed, and all corporate powers shall be exercised, under the ultimate direction and authority of its governing body.

Pursuant to California Corporations Code Section 5140 subdivision (n), the Executive Committee may take appropriate actions in anticipation of or during an emergency.

Section 2. Executive Committee office-holders include the officers, representatives, and Standing Committee representatives. Subject to Article V, Section 5 and 6, the nominated officers shall each stand for election at the corporation's membership meeting held at the annual conference. Nominated representatives shall stand for election at the membership meeting and shall serve staggered two-year terms. Standing Committee representatives are selected and serve in accordance with the respective Standing Committee operating guidelines approved by the Executive Committee. Elected officers and representatives assume office upon the conclusion of the annual conference and their terms continue throughout the subsequent annual conference or until otherwise succeeded.

In the event the President is unable to complete the term of office, the Executive Committee may appoint the President-Elect or an Executive Committee representative to the office of President for the unexpired term of office, or until succeeded. In the event the President-Elect is unable to complete a term of Office, the Executive Committee shall appoint an Executive Committee representative to the office of President-Elect for the remainder of the term, or until succeeded. In the event the Immediate Past President is unable to complete a term of Office, the Executive Committee shall appoint a past president to complete the term, or until succeeded.

Section 3. The officers of the corporation shall be subject to the direction of the Executive Committee and the membership of the corporation voting at a duly held meeting.

Section 4. The Executive Committee representatives shall number not less than six and no more than ten. To the extent practical, Executive Committee representatives shall be reflective of corporation's constituent interests.

Section 7. Executive Committee representatives, officers (except for an appointed Secretary and Treasurer) and standing committee representatives must be member-organization management employees, classified as direct or by cash or non-cash reimbursement.

Section 8. Each Executive Committee representative, standing committee representative, and elected officer shall have one vote on each matter presented to the Executive Committee for action. No Executive Committee voting shall be by proxy.

Section 9. Any action required or permitted to be taken by the Executive Committee may be taken without a meeting by unanimous Executive Committee consent in writing to the action. For the purposes of this section only, "unanimous Executive Committee consent" shall not include any "interested director" as defined in Section 5233 of the California Corporations Code. Such written consent shall have the same force and effect as a unanimous vote of the Executive Committee taken at a meeting. Such written consent or consents shall be filed with the minutes of the proceedings of the Executive Committee. Written consent may be transmitted by first-class mail, messenger, courier, facsimile, e-mail or any other reasonable method satisfactory to the President.

Voting shall be by member organization's voting representative. Nominations shall be submitted by the Executive committee to the membership in advance of voting.

Section 3. The Executive Committee meetings, the membership meeting of the corporation, and any special meetings may be conducted in closed sessions to deliberate and act upon matters of a strict confidential or proprietary nature.

Section 4. Corporation meetings may be held by conference telephone, video screen communication, or other communications equipment. Participation in a meeting under this Section shall constitute presence in person at the meeting if both of the following apply:

A majority of the Executive Committee (comprised of a combination of representatives, elected officers, and standing committee representatives) then in office shall constitute a quorum for the transaction of any business except adjournment. Every action taken or decision made by a majority of the Executive Committee present at a duly held meeting at which a quorum is present shall be an act of the Executive Committee, subject to the more stringent provisions of the California Nonprofit Public Benefit Corporation Law including, without limitation, the provisions on (a) approval of contracts or transactions between this corporation and one or more of the Executive Committee or

between this corporation and any entity in which one or more of the Executive Committee has a material financial interest, (b) creation of and appointments to committees of the Executive Committee, and (c) indemnification of Executive Committee officeholders. Section 6. Notice of a meeting need not be given to any Executive Committee office-holder who, either before or after the meeting, signs a waiver of notice, a written consent to the holding of the meeting, or an approval of the minutes of the meeting. The waiver of notice or consent need not specify the purpose of the meeting. All waivers, consents, and approvals shall be filed with the corporate records or made a part of the minutes of the meetings. Notice of a meeting need not be given to any Executive Committee officeholder who attends the meeting and who, before or at the beginning of the meeting, does not protest the lack of notice.

Section 7. A majority of the Executive Committee office-holders present, whether or not a quorum is present, may adjourn any meeting to another time and place.

Notice of the time and place of holding an adjourned meeting need not be given unless the original meeting is adjourned for more than 24 hours. If the original meeting is adjourned for more than 24 hours, notice of any adjournment to another time and place shall be given, before the time of the adjourned meeting, to the Executive Committee officeholders who were not present at the time of the adjournment.

Section 8. This Article is not intended to limit the authority of the Executive Committee to take action in conformity to Article IV Section 9.

Provided that the Secretary/Treasurer, if a member employee, shall be an Executive Committee member. If the Secretary/Treasurer is not a member employee, this officer position shall serve in a management role to the Executive Committee.

Dear Applicant:

This modifies our letter of the above date in which we stated that you would be treated as an organization which is not a private foundation until the expiration of your advance ruling period.

Your exempt status under section 501(a) of the Internal Revenue Code as an organization described in section 501(c)(3) is still in effect. Based on the information you submitted, we have determined that you are not a private foundation within the meaning of section 509(a) of the code because you are an organization of the type described in section 509(a)(2).

Grantors and contributors may rely on this determination unless the Internal Revenue Service publishes notice to the contrary. However, if you lose your section 509(a)(2) status, a grantor or contributor may not rely on this determination if he or she was in part responsible for, or was aware of, the act or failure to act, or the substantial or material change on the part of the organization that resulted in your loss of such status, or if he or she acquired knowledge that the Internal Revenue Service had given notice that you would no longer be classified as a section 509(a)(2) organization.

AOA Standing Order

EXECUTIVE COMMITTEE MEETING POLICY AND PROCEDURES

A. Background. Members of the Auxiliary Organizations Association (AOA) are exclusively auxiliary organizations in good standing with the California State University and are subject to statutory open meeting requirements.ⁱ

While AOA itself is not an auxiliary organization, meetings of its governing body – the Executive Committee – should reasonably be held to transparency and accountability standards that broadly parallel those of member-organizations, consistent with AOA Bylaws. References: *Bylaws*, Article IX, and Corporate Transparency & Privacy Policy. Page 43 *AOA Policy & Practices Manual*.

This statement expresses policy standards (Sections B through K), as well as implementing procedures (Section L through N) for the open and orderly conduct of Executive Committee business.

B. Scope of Application. This statement will be applied to meetings of the Executive Committee. A meeting is a quorum, of that body convened to share and report on pertinent information, and to discuss and act upon business matters. Written posting, notice and waivers may be given by electronic means.

Executive Committee members should avoid any formal or informal gatherings constituting a quorum of that body to discuss or decide agenda items prior to a meeting, or any series of gatherings prior to a meeting not constituting a quorum which could be construed as forming a consensus on any item to be considered at a meeting.

Actions of the Officers Group under delegated authority shall be reported in a timely fashion to the Executive Committee. Other committee reports/recommendations are typically included in the meeting agenda sequence. See Section M(3) below.

C. Minimum Meeting Requirement. The Executive Committee will hold regular meetings on a scheduled basis set at the Annual Conference. Reference: *Bylaws*, Article IX.

D. Regular Meeting Schedule. The annual regular meeting schedule will establish the dates, times, and locations for meetings of the Executive Committee. Any changes to the annual meeting schedule shall be initiated by the Secretary/Business Manager in consultation with the President, and coordination with Executive Committee members.

E. Regular Meeting Notice and Action. Except as provided in Section F below, meetings require at least a 72-hour prior written notice. Action by the Executive Committee may be taken at a noticed/posted regular meeting on any action item not on the posted agenda but deemed, by a favorable vote of the Executive Committee, to require urgent action. Otherwise a posted regular meeting agenda may be changed only with respect to the postponement, cancellation, or order of items, and the addition or deletion of non-action items.

A majority of the Executive Committee present, whether or not a quorum is present, may adjourn any meeting to another place and time as prescribed by *Bylaws*, Article IX, § 7.

Notice of a meeting need not be given to any Executive Committee member who has signed a waiver in accordance with *Bylaws*, Article IX, § 6.

F. Special Emergency Meetings and Actions Without a Meeting. Special meetings require at least 24-hour written notice of the time, place, and specified agenda item(s) to be discussed or acted upon to Executive Committee members, notice-requesters, or persons directly affected by meeting business. Special meeting notice may be waived in writing to the Secretary/Business Manager by any Executive Committee member before or at such meeting, and is deemed waived by presence when the meeting convenes.

A special meeting may be called at any time by the President, or by a majority of Executive Committee members, by delivery personally, by confirmed e-mail, or by mailed written notice to each Executive Committee member, and to any notice-requester or other party to be directly affected by such meeting. No business other than that set out in the notice shall be considered at such meetings.

An emergency meeting may be called and conducted under the circumstances set forth in Corporations Code § 5140(n). Reference: *Bylaws*, Article IV, § 1.

An Executive Committee action required or permitted may be taken without a meeting under restricted circumstances set out in *Bylaws*, Article IV, § 9.

G. Closed Sessions. A meeting may adjourn to closed session in circumstances involving the need for strict confidentiality, or matters of a proprietary nature. Reference: *Bylaws*, Article IX, § 3.

H. Persons/Media Requesting Meeting Notice. Any individual or media representative may file a Request for Meeting Notice with the Secretary/Business Manager. Such request shall be valid for one year from the date on which the request is filed unless a renewal request is filed. A meeting-notice standardized request form may be established. A requester may specify an electronic address for receiving meeting notices.

I. Persons Permitted to Attend Meetings. The Executive Committee shall generally conduct their business in public. Except as specifically provided in Section G above, meetings will be open and public, and all persons will be permitted to attend. The Executive Committee may prescribe a reasonable written meeting protocol to help ensure that a meeting is conducted effectively without unnecessary disruption. Any such protocol shall be announced at the opening of the meeting. Reference: *Bylaws*, Article IX, § 2.

J. Meetings by Teleconference. Executive Committee meetings may be held from the location designated in the regular meetings schedule, or as stated in the agenda notice for special or emergency meetings, or through the use of conference telephone, electronic video screen communication or electronic transmission provided: (1) all members participating in the meeting, including notice-recipients, are able to hear one another, (2) members can communicate concurrently with one another, and (3) members are provided the means to participate in all matters before the Executive Committee. Reference: *Bylaws* Article IX, § 4 and Corporations Code § 5211(a)(6).

K. Past meeting Minutes & Related Information. The Secretary/Business Manager shall post for public access the approved Minutes of each Executive Committee meeting on the AOA website in a timely fashion.

L. Meeting Preparations.

1. The meeting agendas are developed and prepared by the Secretary/Business Manager in coordination with the President and will be comprised of recommendations and reports ready for consideration. Executive Committee members with potential agenda items should contact the Secretary/Business Manager well in advance of the meeting to coordinate the item for timely inclusion on the agenda.
2. The Secretary/Business Manager will confer with the President prior to a meeting in order to set the agenda, permit preparation and completion of agenda package materials, and satisfy required notice timelines.
3. The President will work with the Secretary/Business Manager to ensure that the agenda reflects accurately and completely matters that are timely and ripe for Executive Committee consideration.
4. Meeting notices, including specific agenda items and the availability of open meeting agenda materials, shall be publicly posted on the AOA website at least 72 hours before regular meetings, except that special meetings require only at least a 24-hour notice/posting. Open meeting agenda materials (agenda packet) should be made available to the public on a timely basis. Such materials not completed until the meeting should also be publicly available at that time.
5. Each item in a meeting agenda packet should typically include an appropriate material introducing the item and providing summary background, analysis, alternatives, recommendation and, if necessary, supporting materials sufficient to properly inform Executive Committee members and permit them to make prudent judgments on the item

M. During the Meeting.

1. The conduct of meetings shall be guided in a practical manner by accepted parliamentary procedures in *Robert's Rules of Order*, consistent with the *Bylaws* and California Nonprofit Public Benefit Corporation Law. See also *Bylaws*, Article IX, § 1.
2. Public Comment. Executive Committee meeting agendas shall include a public comment period. A written protocol for this period may be established and made openly available.
3. Typical Meeting Agenda Sequence:
 - a. Call to Order & Welcome
 - b. Approval of Agenda
 - c. Review/Approval of Minutes of Previous Meeting(s)
 - d. Public Comment Period
 - e. Old Business Follow-up
 - f. President's Reports
 - g. Secretary-Treasurer's Report
 - h. President-Elect's Report
 - i. Member Resources
 - j. New & Returning Business Items (may include Consent items)
 - k. Reports (updates, committees)
 - l. Building Relationships & Partners
 - m. Information/Announcements
 - n. Adjournment
4. Consent Items. A meeting agenda may include, under New & Returning Business Items, one or more "consent items" for approval with the chair stating "If I hear no objections, the Consent Item(s) pass." Any item on Consent may be removed to the appropriate agenda-sequence by an Executive Committee member without discussion. The Executive Committee may establish more detailed written practices relating to the Consent process.

5. Handling Agenda Items. The chair should introduce the name of the agenda item and provide any detail or elaboration required on more complex matters. Following the agenda item briefing, the chair should ask for any public input, then member deliberation, and finally motion/action on the matter.

N. After Meeting. Following each meeting of the Executive Committee, the Secretary/Business Manager shall draft Minutes for review by and approval of the Executive Committee at its next meeting. Meeting Minutes should be complete, yet concise. Approved Minutes shall be promptly distributed to the Membership. Reference: *Bylaws*, Article IX, § 1.

AOA Standing Order

MEMBERSHIP ELECTRONIC BALLOTING PROCEDURES

I. Background. The Auxiliary Organizations Association (AOA) is a membership nonprofit public benefit corporation.¹ Circumstances arise requiring the member-organizations to take action without a formal meeting - for example: electing officers/governing board members or adopting amendments to the articles or bylaws.

Member voting by electronic ballot² without a meeting is permitted by law³ unless expressed otherwise in the articles or bylaws and when approved by the governing board.⁴ AOA Bylaws⁵ authorize elections and bylaw changes by electronic ballot, if specific statutory requirements are met.

II. Purpose. These Procedures, adopted by the Executive Committee, outline the requirements to conduct and conclude member voting by electronic ballot when authorized by Minute action of the Executive Committee.

III. Electronic Balloting Requirements. (Corporations Code references unless otherwise stated)

A. General

1. A membership electronic ballot-vote is subject to Executive Committee authorization [§ 5513(a); Bylaws Article VIII, § 1].
2. The Executive Committee shall designate the ballot-vote tally-agent.
3. The electronic ballot must be accompanied by solicitation materials indicating:
 - a. The response-tally needed to satisfy the requirement for a valid vote (quorum);
 - b. The percentage of affirmative vote(s) necessary to approve the action; and
 - c. The time by which the ballot must be received by the tally-agent to be counted. [§ 5513(a)].
4. Content of the ballot form must describe the proposed action, provide opportunity to specify approval or disapproval, and allow reasonable time to return the ballot. [§ 5513(a)].
5. The electronic ballot must be distributed with the solicitation materials to the email address of the Executive Director (or to comparable position) as the representative of each eligible member-organization, and returned promptly to the tally-agent. [§§ 20, 21 and 5513(a)].
6. An electronic ballot may not be revoked once returned to the tally-agent. [§ 5513(d)].
7. The tally-agent has the discretion in reviewing ballots, to verify, accept or reject a ballot upon a reasonable basis and acting in good faith. [§ 5517(c)].
8. Ballot voting results shall be published promptly to the membership. [Bylaws Article IV, § 5].

B. Election of Officers and Representatives

1. The election ballot process must be preceded by the nomination process. [Bylaws Article VIII; *AOA Policy & Practices Manual*, Revised August 2023 Edition, Nominations Committee Composition and Selection Process Policy, at pages 18-19].
2. Ballot solicitation material may include a brief description of the nomination process and shall state the Executive Committee nominee recommended action. [§ 5513(a); *AOA Policy & Practices Manual*, Revised August 2023 Edition, Nominations Committee Composition and Selection Process Policy, at pages 18-19].

3. The electronic ballot form shall include the officer and representative nominees for election, together with their respective member-organizations and terms of office, and a vote specification. The ballot may contain a vote-option to elect the slate of recommended nominees. [§ 5513(a)].

¹AOA is not an auxiliary organization, and therefore not subject to governing board meeting requirements under the Education Code

²The term “electronic ballots” is used instead of “written ballots.” Cal. Corp. Code § 5511(b) permits electronic communication of written ballots – hence, “electronic ballots.”

³Cal. Corp. Code §§ 5077 and 5513(a).

⁴*Id.* at § 5513(e).

⁵Article VIII, § 1; Article XI.

The above Electronic Balloting Procedures were adopted by Minute action of the Executive Committee on November 18, 2022.

III. Service Standards

An appropriate formal written contract shall be negotiated and executed for all other support services using other service providers.
- b. Scope of Work Statement. The SSA shall include the negotiated *Scope of Work* statement (SoW) expressed in sufficient detail to identify and clearly express the: tasks, activities, projects or programs; timelines; qualitative and/or quantitative measures (deliverables); and costs (fees and other charges). A Proposed SoW is a required component of a written response to an AOA Request for Proposals (RFP).

V. Selection Processes

The Executive Committee has delegated to the Officers Group the authority to: seek prospective providers; develop and publish appropriate RFP documents; evaluate, rate and qualify prospective service providers; negotiate qualified service provider relationships; and, subject to authorization to enter into any negotiated service provider relationship, execute an SSA. The Officers Group shall follow the following processes in securing qualified support service providers:

- a. Individual Service Providers. Individual service providers include those with a long-standing relationship with AOA as past leaders or as retired member-organization employees.
 1. Recommend and secure estimated funding level for support services as part of the budget process.
 2. Develop a specific statement of the required services and service evaluation criteria. Consult with Executive Committee.
 3. Informally inquire about individuals to include in an RFP list to prospective providers. This will include soliciting interest via a posting on the AOA website and a notice to auxiliary Executive Directors.
 4. Develop and publish the RFP. Update Executive Committee.
 5. Review, qualify, evaluate and rate RFP responses. Update Executive Committee.
 6. Negotiate Scope of Work, costs, and performance criteria with preferred provider. Secure Executive Committee authorizations.
 7. Execute SSA to enter support services relationship. Update Executive Committee.

 1. Recommend and secure estimated funding level for support services as part of the budget process.
 2. Identify the type, level and likely qualifications/standards for the required services. Consult with Executive Committee.
 3. Seek prospective Other Service Providers through a Request for Statement of Qualifications for inclusion in an RFP list. When appropriate, include a posting on the AOA website and a notice to auxiliary Executive Directors.
 4. Develop and publish the RFP. Update Executive Committee.
 5. Review, qualify, evaluate and rate RFP responses. Update Executive Committee.
 6. Negotiate Scope of Work, costs, and performance criteria with preferred provider. Secure Executive Committee authorizations.

 10. Prepare and submit closeout reports to Executive Committee for ended provider relationships.

VI. Implementing Procedures

The Officers Group may establish written procedures consistent with and in implementation of this guidance. Such procedures shall be reported to the Executive Committee.

TEMPLATE ONLY

SUPPORT SERVICE PROVIDER AGREEMENT

This Support Service Provider Agreement (“Agreement”) is made effective this ____ day of _____ 20____ (the “Effective Date”), by and between the Service Recipient, the AUXILIARY ORGANIZATIONS ASSOCIATION, a California nonprofit, public benefit corporation (“AOA”), and _____ (Full Name), the Service Provider (“CONTRACTOR”). AOA and CONTRACTOR each are referred to herein separately as “Party” and are referred to herein collectively as the “Parties”. There are no other parties to this Agreement.

Explanatory and Operative Statements

[insert statements as required]

[SAMPLE]

The AOA is composed exclusively of its members – the separate auxiliary organizations that support and enhance the educational mission of the California State University (CSU) system and each of its campuses. The AOA mission is to offer professional development, issue collaboration, represent common interests, and assist new or evolving member-organizations.

In _____ (month and year)____, the AOA issued a Request for Proposals to its member organizations seeking interest in providing specified support services.

The resource and policy constraints upon member-organizations require AO to rely heavily upon the members to carry out its mission. AOA must seek and obtain needed internal business and program support from member-organizations, a few qualified firms, but particularly from experienced individuals on a service provider basis. These internal functions and tasks have included providing corporate secretary and governing board support, administrative, treasury and accounting tasks, purchasing, interest group and conferencing support, and Internet AOA site development and administration.

CONTRACTOR under this agreement is a member-organization executive-retiree and former AOA leader, willing and able to independently dedicate a reasonable amount of business time as an AOA service provider. The semi-retirement status of CONTRACTOR requires him to limit or foreclose his other customary business engagements with service recipients.

Terms and Conditions

In consideration of the mutual covenants contained herein and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties agree to the following terms and conditions:

1. Services To Be Provided

On or before the Effective Date of this Agreement, or as soon as practicable, the CONTRACTOR shall commence the support services specified in the *Scope of Work* (SoW) Statement, **EXHIBIT A** (contents of which are incorporated herein by reference). The CONTRACTOR shall exercise the same timeliness

and due diligence customary under industry standards in carrying out the work specified in this Agreement. CONTRACTOR under this Agreement shall act as an independent contractor in close collaboration with AOA leadership, the Executive Committee, and Conference Planning Committee, and an employer-employee relationship is not implied or intended, and shall not be practiced by the Parties.

The CONTRACTOR may from time to time offer or be requested to provide support to AOA outside the SoW Statement under this Agreement, with or without the expectation of additional charge to AOA associated with that support. Any ambiguity over such circumstances shall be clarified and resolved in advance by the AOA President and the Secretary/Treasurer, and, where appropriate, documented by the Parties in accordance with Section 5. The AOA President shall recommend to the AOA governing board any budget supplements for services of the CONTRACTOR that may involve additional fees to CONTRACTOR in such circumstances.

2. Term Of Agreement

The term of this Agreement shall be _____, ending _____. The Parties may extend the term for additional one-year periods by written amendments to this Agreement.

3. Service Fee And Other Charges

In full consideration of the services satisfactorily performed by CONTRACTOR under this Agreement, AOA shall pay to CONTRACTOR as follows:

[Insert total payment amount, frequency of payments, and invoicing terms]

CONTRACTOR will be compensated for approved out-of-pocket expenses and related charges incurred during the performance of the contracted support services.

4. Status Of Parties

During the term of this Agreement or any extension thereof, CONTRACTOR represents that the tasks, activities, projects or programs ("Work") specified in the SoW are all within CONTRACTOR'S professional capability to provide on a timely basis, and working in close cooperation with [*Examples; Executive Committee, Conference Planning Committee, Officers Group*]. It is mutually understood and accepted that:

- a. That the CONTRACTOR is free from the control and direction of the AOA in connection with the performance of the Work, both under this Agreement for the performance of the Work and in fact;
and
- b. That the CONTRACTOR performs the Work that is outside the usual course of AOA business;
and
- c. That the CONTRACTOR is engaged in an independently established trade, occupation, or business of the same nature as the Work performed under the SoW.

5. Scope Of Work Modification

The Parties may modify the terms and conditions of this relationship by an amended SoW, signed and dated by the Parties and appended to the SSA, or by an amended SSA.

6. Termination Of Services

Either party may terminate this agreement for good cause upon a 90-day written notice to the other party.

7. Entire Agreement

This Agreement constitutes the entire agreement between the Parties with respect to the subject matter hereof, and there are no inducements, representations, warranties, or understandings that do not appear within the terms and provisions of this Agreement. Only a writing signed by both Parties may modify this Agreement. The laws of the State of California shall govern the interpretation of this Agreement.

8. Authorization

Each individual signing this Agreement warrants and represents that he has the full authority and is duly authorized and empowered to execute this Agreement on behalf of the Party for which he signs.

9. Choice Of Law

The provisions of this Agreement and its interpretation shall be governed by the laws of the State of California, including any action arising out of this Agreement.

10. Severability And Construction

If any provision of this Agreement shall be held by a court of competent jurisdiction to be illegal, invalid or unenforceable, the remaining provisions shall remain in full force and effect. This Agreement has been negotiated by the Parties and their respective counsel and shall be interpreted fairly in accordance with its terms and without any strict construction in favor of or against either Party.

11. Counterparts

This Agreement will be executed by the Parties on or before the Effective Date and may be executed in one or more counterparts, each of which when so executed and delivered shall be deemed to be an original, but all of which taken together form but one and the same instrument.

12. Binding Effect

This Agreement shall be binding on the Parties, their successors in interest, and present and future subsidiaries, assignees or acquirers, including any acquirer of substantially all of the assets of a Party.

IN WITNESS HEREOF, AOA and CONTRACTOR have caused their duly authorized signatories to execute this Agreement to be effective as of the Effective Date.

REMOTE MEETING PARTICIPATION PROTOCOL

Chair Convening Script:

Good [morning or afternoon]. I'm [full name and officer title] and chair for this meeting of the [name of body]. Members, guests and visitors may be participating by electronic communications (remote).

Before I call the meeting to order, there are a number of procedures that I'm asking participants to observe in view of the remote participation. In addition to those joining the meeting at the physical location, participation has been provided using the prescribed online platform described in the meeting notice.

Consistent with Nonprofit Public Benefit Corporation Law, meetings by teleconference must satisfy prescribed conditions: Each [board or committee] member can communicate with other members concurrently, and each has the means of participating in all matters before the body, including the capacity to propose, or to interpose an objection to, a specific action to be taken.

Effective participation and recordkeeping will require:

- Body members to state their names for the record at roll call and, when recognized by the chair, each time they seek to address the body.
- Remote guests and public attendees shall be asked to identify themselves by the chair after roll-call, or when joining the meeting.
- Remote participants to alert the chair by the virtual hand-raising feature if they cannot hear a participant speaking.
- Formal agenda action on motions to be taken by roll call. Note: The chair may order action (without a motion) on routine agenda items (subject to objections, then requiring a motion and roll call).
- Remote participants to use the virtual hand-raising feature and be recognized by the chair before addressing the body.

Call To Order (by Chair)

This meeting is called to order at [time] on [day], [date], [location, if applicable] with prescribed remote participation, the requirements of which have been shared with meeting participants.

The Secretary [or designee] will call roll and determine if a quorum is present, then identify and ask invited guests and members of the public to respond as called and acknowledge their presence.

ROBERT'S RULES OF ORDER QUICK GUIDE FOR THE CONDUCT OF AOA MEETINGS

A. Introduction

Robert's Rules of Order (RRO 11th Edition) serves as a guide for the conduct of Auxiliary Organizations Association meetings. See Bylaws, Article IX, Section 1.

The *RRO* manual makes it difficult to find the correct reference during a meeting. This Quick Guide serves as a helpful and handy resource for the meeting chair and members. The Secretary-Treasurer has the *RRO* manual for reference during Executive and membership meetings. The meeting chair makes procedural determinations consistent with the Bylaws.

B. Common Motions

Main Motion: Introduce a new matter.

Subsidiary Motion: Change or affect how to handle a main motion (vote on this before main motion).

Privileged Motion: Urgent or important matter unrelated to pending business.

Incidental Motion: Questions procedure of other motions (must consider before the other motion).

Motion to Table: Kills a motion.

Motion to Postpone: Delays a vote (can reopen debate on the main motion).

C. Six Steps to Every Motion (see attached Chart of Motions)

1. **Motion:** A member rises or raises a hand to signal the Chair.
2. **Second:** Another member seconds the motion.
3. **Restate Motion:** The Chair restates the motion.
4. **Debate:** The members debate the motion.
5. **Vote:** The Chair restates the motion, and then first asks for affirmative votes, then negative votes, and any abstentions.
6. **Announce The Vote:** The Chair announces the result of the vote and any instructions to implement the action.

D. Action Without Vote On Motion

Following debate with a clear indication of agreement, the Chair may save time by stating, "If there is no objection, the motion to.... Is adopted." Then wait for any objections. Then say, "Hearing no objections, (state the motion) is adopted." And then state any instructions required to carry out the action. If a member objects, first ask for any questions, restate the motion, then vote and then announce the vote.

E. Requesting Points in Proceedings

Certain situations need attention during the meeting, but they don't require a motion, second, debate or voting. It's permissible to state a point during a meeting where the Chair needs to handle a situation right away. Meeting members can declare a:

- **Point Of Order:** Draws attention to a breach of rules, improper procedure, breaching of established practices, etc.
- **Point Of Information:** A member may need to bring up an additional point or additional information (in the form of a non-debatable statement) so that the other members can make fully

informed votes.

- **Point Of Inquiry:** A member may use point of inquiry to ask for clarification in a report to make better voting decisions.
- **Point Of Personal Privilege:** A member may use point of personal privilege to address the physical comfort of the setting such as temperature or noise. Members may also use it to, for example, address the accuracy of written materials or the accuracy of a member's conduct.

F. Chair Pointers

The *RRO* helps ensure that meetings are fair, efficient, democratic and orderly. A skilled chair allows all members to voice their views in an orderly manner so that everyone in the meeting can hear and be heard. Here are some pointers to consider:

- Keep to the agenda allowing the meeting to conclude business.
- Let the body do its own work; don't over-command.
- Control the flow of the meeting by recognizing members who ask to speak.
- Let all members speak once before allowing anyone to speak a second time.
- When discussions get off-track, gently guide the meeting back to the agenda.
- Model courtesy and respect, and urge members to do the same.
- Help to develop the body's skills in parliamentary procedure by properly using motions and points of proceedings (see above).
- Give each speaker your undivided attention.
- Keep an emotional pulse on the discussions.
- Allow a consensus to be the judgment of the body.

G. Meeting Member Pointers

- Come prepared; read the agenda packet.
- Practice good listening skills.
- Speak when acknowledged by the Chair.
- Strive to be clear and concise.
- Follow parliamentary procedures.
